No. 4781 Misc.

Read statement showing disposal of applications for lands under the waste lands & rules, submitted by D.W.G. Cowie Esquire, ag. Collector of the Nilgiris, for the quarter ending 30.6.98

RESOLUTION.

Submitted for the information of Government with the following remarks:-

2. Waste lands Rules.

Twenty-nine applications were dealt with during the quarter under review. This includes twenty-five applications shown as rejected in the statement for the previous quarter under the orders conveyed in Board's Proceedings No. 45 L.R. d/ 25th February '98.

In B.P. No. 1230 L.R. d/ 7th May 1898, the above order was modified and the Collector was informed that the applications for waste lands should continue to be disposed of as heretofore, subject, however, to certain specified conditions. Accordingly these cases were readmitted besides which four fresh applications were received during the quarter. Taking altogether, it is observed that out of 29 applications referred to above, one application was more than a year old. In this case, notification of sale was, however, issued during the quarter. Of the remaining cases, seven have been disposed of and in seven others
