(Land Revenue).

Forest No. 673 Mis, dated 5 October 1898.

Read Letter from E. A. Elwin Esquire,
Collector of Bellary, dated 24 July 1898, Dis No. 244
submitting information ^{called} for para 12 of B.P. No. 258
dated 24 June 1898.

Read Endorsement of J. W. Cherry Esq.,
Ag. Conservator of Forests, Central Circle, dated
15 September 1898, No. 350 forwarding to the
Board letter from R. B. Clegg Esq., Collector
and District Magistrate, Salem, dated 8 Sept 98,
No. 25/Btg., reporting on the circumstances which
necessitated the enhancement of grazing fees
in his District.

Resolution

In para 40 of the Forest Adminis-
tration Report for 1896-97 the Board observed
that the increase of revenue under grazing
in the Bellary and Salem Districts was
due in part to the enhancement of the rates.
In

In reviewing the report, the Government in para 18 of its order No 273, dated 16 May 1898 B. desired to be informed of the circumstances which led to the enhancement of the rates at a time of scarcity. The Board begs leave to submit that the increase in the grazing revenue in the two districts was the result of the orders conveyed in G.O. No 553, dated 14 August 1895 directing the abolition of the distinction which previously existed between privileged and unprivileged cattle in the matter of grazing and the levy of a uniform rate of three-fourths of the prescribed maximum fees on all cattle alike. This scale of fees was first introduced in the districts during 96-97 and represented a material increase on the old rates. In the Salem District the increase of revenue under grazing had already been anticipated (vide para 4 of B.P. 7 1888 dated 4 February 1895) and in Bellary almost the whole of the grazing revenue is reported to have been collected before November 1896 when the district was declared a famine affected area.
