TO THE Collector of Anantapur

SIR,

I have the honour to submit that I was appointed a Sub Probem deputy collector on 10.5.98 and informed that my confirmation as a deputy collector would depend on my passing the Account and Vernacular Tests prescribed for deputy collectors within two years after appointment. I took charge of the Godavari Agency division, to which I was appointed, on the 6th of last June, and in July I submitted my name as a candidate for the Account Test, Higher Grade, which was to come off on the 17th October. I have no hesitation in saying that if I had been allowed to remain in Rajahmundry and appear for the Examination I would have had

a fair chance of passing; but it was found necessary to transfer me to Anantapur District on ~~Plaque duty~~ and I was directed by telegram on the 24th September to proceed to Anantapur. I left Rajahmundry as you are aware as soon as possible and with very little delay, and when I found that it was not likely that I would return to Rajahmundry when I had asked to be examined for the Accounts Test, I applied to the Secretary to the Commissions of Government Examinations on the 3rd October to change my place of examination from Rajahmundry to Bellary, which is the nearest Centre to Guntakal. I received no reply to this and I wired to the Commissions on 13th October asking him to reply and inform me if I could appear at Bellary. Receiving no reply to this even I gave up all hopes of being allowed to appear at Bellary. On the morning of the 17th the date on which the examination was to come off, while I was at the Guntakal Railway Station on duty I received by post a memorandum from the Secretary to the Commissions of Government Examinations informing me that I could appear at Bellary and take my chances of getting the papers I required. The

The train for Bellary started about 3 or 4 minutes after I opened this letter and as I had not with me a pie wherewith to purchase a ticket and was not at all prepared to start for Bellary by that morning's train, it was quite impossible for me to appear for the examination and take my chances of getting the papers of the Accounts Test. My first chance of passing the Accounts Test has therefore passed away and I have only one more chance left in 1899.

My object in bringing the above facts to your notice and requesting you to forward them to Government is not to ask the Government, just now, to extend the time given me to pass these examinations. I presume that I shall be able to pass the test with ease next year if nothing so unforeseen as the above noted circumstances occurs. I only wish that it should be known that it was not from indifference or inability on my part that I did not pass this Test at the first opportunity afforded me.

In support of the facts noted above I attach to this the memorandum received from the Commissions with the cover in which it was received and which bears the date on which it was received by me at Guntakal. I also attach the telegraphic receipt for the telegram sent by me

to the Commission on 13th October 1898.

I have the honour to be,
Sir,
Your most obedient servant,
W. J. Marshall
Deputy Collector on Plague Duty.
