Dated Simla, the 3rd November 1898.

SIR,

I learn from the Political Agent in Malwa that the Collector of Malabar has informed him that a special officer has, under the orders of the Government of Madras, been deputed to investigate a case in which 1991 tolas of opium were consigned on the 11th July 1898 to the Shoranore Railway Station in Malabar, from Malhargah, a station on the Rajputana-Malwa Railway situated in the Jaora State in Central India. Some enquiry has already been made into the case by the police of the Rajputana-Malwa Railway and of the Jaora State and copies of their reports have been sent by the Political Agent to the Collector of Malabar.

2. The case is one of importance in connection with the general question of smuggling of Malwa opium into British territory and I have the honour to suggest that with a view to its thorough investigation the officer deputed to enquire into it should, with the permission of His Excellency the Governor of Madras in Council, be recommended to place himself in direct communication with the Political Agent in Malwa, at Nimach, and with Rai Bahadur Sardar Amrik Singh Hassanwalla, Extra Assistant to the General Superintendent
