No. 6412 Mis.

READ the following letter from Veterinary-Colonel, A.E.Que-
-ripel, Inspector-General Civil veterinary Department,
Simla, No. 401.C, dated 30th October 1898:-

With reference to correspondence ending with this office telegram dated 14th instant, in which Veterinary Captain Gunn, asked you to kindly defer re-plying to his letter, nominating Veterinary Lieutenant W.C.Dawson as a successor to Veterinary Lieutenant Edwards, pending my return, I now have the honor to no-minate Veterinary Lieutenant J.D.E.Holmes. My reason for doing so is, that I am of opinion that this Officer will prove more suitable for the work in the Madras Presidency, he has devoted much time and study to Bacteriology, and will be eminently qualified to carry out investigations and experiments.

2. In submitting this recommendation, I beg most strongly to urge, the absolute necessity of giving an officer some insight into the way in which his work should be carried out. I trust therefore that your Go-vernment will be pleased to sanction Veterinary Lieu-tenant Holmes being associated with the Assistant to Inspector-General, Civil Veterinary Department, in his

work

work connected with the Bacteriological Survey of the Punjab, and with the Superintendent, Civil Veterinary Department, N.W. Provinces and Oudh, whose duties are solely those connected with horse and mule breeding; three months would in my opinion be sufficient for both trainings.

3. As Veterinary Lieutenant Holmes is stationed at Peshawar, it would increase expenditure in Travelling Allowance tremendously if he were required to join at Madras, and then to return to the camp of the Assistant to Inspector-General, in the Punjab. I shall, therefore solicit the sanction of the Government of India, to his being allowed to reckon the date of his joining his appointment as Superintendent, Civil Veterinary Department Madras, from that on which he may join the Assistant to Inspector-General's camp.

4. Travelling Allowance will of course have to be paid by the Madras Government; this I calculate will be from Rs. 200 to 250/- per mensem; but this amount will be practically covered by the saving which will arise from no Travelling Allowance expenses being incurred in the Madras Presidency.

5. The favor of a very early reply is solicited, as the Assistant to Inspector-General is now in districts in which Veterinary Lieutenant Holmes would be able to obtain a great insight into the work.

Resolution.

Submitted for the orders of Govt. in continuation of B.P. 6132, dated 15th October 1898.

2. The Inspector-General will be requested to state what instructions should be given to Veterinary Lieutenant Edwards on the appointment of his successor.

No. 5809 Mis:

READ the following letter from the Inspector-General, Civil Veterinary Department, dated 21st September 1898, No. 1457 - 144 M.:-

I have the honor to inform you that in accordance with paragraph 2 of Board's Proceedings No.5337 Mis, dated 6th September 1898, I have asked Veterinary Lieut. W.B.Edwards to resign his appointment as Superintendent, Civil Veterinary Department, Madras.

2. I now beg to solicit the approval of the Madras Government, to Veterinary Lieut.W.O.C.Dawson of the Army Veterinary Department, who is an accepted candidate for employment in the Civil Veterinary Department being appointed vice Veterinary Lieut.Edwards. But in order to give the new officer every help and instruction, I beg to suggest that, after he has taken over charge from Veterinary Lieutenant Edwards, he should be deputed to accompany the Assistant to Inspector-General, Civil Vety. Department, and the Superintendent, Civil Veterinary Department, North-Western Provinces and Oudh, on tour, for about three months, so that he would be thoroughly instructed as to the work that he would be required to

perform, and his services would therefore be of more value to the Madras Government.

5. On receipt of your reply to the effect that the Madras Government approve of the proposals herein submitted I shall apply to the Government of India for necessary sanction.

Resolution.

Submitted for the orders of Government.

2. As regards the suggestion that the newly appointed officer should tour with the Assistant Inspector General, for three months, in the North-Western Provinces and Oudh, to learn his work, the Board apprehends that conditions in northern India are so dissimilar from those in Madras that the experience gained would be of little value. What is to be desired is that the Assistant Inspector General should take the new officer for a tour through some of the Madras Districts and show him how he should work under conditions such as here exist.

3. If this be impracticable, the Inspector General's proposal may be accepted, and the Superintendent's travelling allowance may be sanctioned from the provision in the Budget under Veterinary and Stallion charges No. 26A Scientific and other Minor Departments.

Secy

In G.O. 3565 d 30 augt 1898 the Govt agrees with the Bd that Vety Lt Edwards was not suited to this Dept & the first paper read above the Bd submits to the Govt a letter from the I.G. of the C.V. Dept suggesting the name of Vety Lt Dawson as successor to Vety Lt Edwards. The I.G. suggests that before coming to Madras Vety Lt Dawson should accompany the Asst to the I.G., C.V.D. & the Supt Civil Vety Dept N.W.Provs & O. on tour for abt 3 mos so that he could be thoroughly instructed as to the work that he would have to supervise

to perform & his services would therefore be of more value to the Madras Govt.

In regard to this proposal, the Bd "apprehends" that "Cond itions in northern "India are so dissimilar "from those in Madras "that the experience gained "would be of little value "What is to be desired, is "that the Asst. Ly. shd "take the new Spirillum "through some of the "Madras Districts & "Show how he should "work under conditions "such as exist".

We shd go on to say that if its proposal be impracticable the Govs proposal ~~ought~~ may be accepted & the Supplg travelling allce may be sanctioned from the provision in the Budget under "Vety & Stableing "Charges Rs 26 Scientific "& other minor depts".

C.No 7016 — In the second paper Vety Lt Edwards resignation of his appt as Supt C.V.D Madras is announced.

C.No 7142 — In the 3rd paper, the Bd submits a report from the Dy. of the C.V.D asking that orders as to Vety Lt Dawson may be withheld pending a further communication.

C.No 7614 — With the 4th & last paper the Bd submits a letter from the Dy. C.V.D nominating Vety Lt J.D.E. Holmes as successor to Vety Lt. W.S. Edwards It appears that in the opinion of the Dy. "this "officer will prove more "suitable for the work "in the Madras Presy, he "has devoted much time "& study to bacteriology "& is eminently qualified "to carry out investigations "& experiments".

The Dy. renews his "request that Vety Lt Holmes

may b deputed to work
under the Asst I.G. C.V.D.
& also under the Supt C.V.D
A.W.P.& O. in order to get
an insight into the way
in which his work shd
b carried out. The I.G.
suggests that the officer
shd join the Asst I.G.
Camb & that thus shd
count as if he had joined
his appt at Madras &
states that the sanction of
India will b applied for
accordingly.

Question
as to whether the nomination
may b accepted is the
proposal of the I.G.
approved. The Govt of India
will in that case, in due
course notify Lt Holmes

As it does not appear that the A.I.G. Vet Dept is shortly to tour in this Pres., the Govt may accept the suggestion that the nominee be permitted to tour with the A.I.G. in the North. Three months seems however to be too long to be away from the Pres. & it wd be enough if the absence is limited to not more than 2 mos.

The tour will not be so useful as the Govt points out, as a tour in this Pres., but it is always some advantage to see how things are done elsewhere.

As to whether the nomination of Vet Lt Holmes is to be accepted that is a question for His Excellency, to whom the file is also marked
