OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),
Madras, 3rd Nov. 1898.

READ—endorsement of H. A. Goss Esquire Jr. Conservator of Forests, Southern Circle dated Coimbatore 14th October 1898 No. 275 forwarding in continuation of his office C. No 275 dated 15th July 1898 letter from A. Butterworth Esqre I.C.S. Collector of the Nilgiris dated Ootacamund 9th October 1898, Reservation. No 15-S 1898-99 submitting report on further Reservation in Merkhumad.

Reference No. 417 dated 3rd November 1898.

In para 3 of its Reference No 366 dated 7th September 1898, the Board stated that the selections for further reservation in the Merkhumad division comprised 24 out of the 64 small blocks previously thrown out of reservation and that the Collector considered the District Forest officer's proposals for reservation to be imperfect because they took no account of the remaining 40 blocks. In his letter read above, the Collector now reports that he has since ascertained that 29—not 24—blocks were comprised in the proposals referred to and that the number of blocks previously thrown out of reservation and now remaining to be accounted for is 36 and not 40 as originally stated by him,

the

the total being 65 and not 64 blocks.
Of the 36 blocks 26 are reported
to be unfit for reservation and 10 to have
been alienated to private individuals.
The Collector's original letter referred to
was submitted to Government with the
Board's Reference quoted above.
