Resolution—No. 366, dated 1st October 1898.

The Collector of Nellore having, in his letter, No. 2805-Ver., dated 22nd July 1898, applied for an additional allotment of Rs. 7,000,—Rs. 3,000 under the Land Improvement Loans Act and Rs. 4,000 under the Agriculturists' Loans Act—, the Collector of Vizagapatam was asked by wire to state whether he could surrender an equal amount from the allotment sanctioned for his district under the Agriculturists' Loans Act. The Collector having answered in the affirmative, the amount was transferred to the Nellore district in B.P., No. 4616, dated 29th July 1898. In view of the possibility of similar applications being received from other districts, Collectors of certain districts were asked in B.P., No. 4581, dated 27th July 1898, to report what amounts they could surrender out of the allotments sanctioned under the Agriculturists' Loans Act and in B.P., No. 5164, dated 26th August 1898, the Collectors of the marginally-noted districts* were asked to state what amounts they could surrender out of the allotments made under the Land Improvement Loans Act. In reply to the former Proceedings, several Collectors reported that they could make no surrenders, while the Collectors of Ganjám, Gódávari, Kistna, Bellary, Kurnool and Coimbatore reported that they could surrender the amounts noted in the margin.† In the meanwhile, the Collector of Nellore applied for a further allotment of Rs. 15,000 under the Agriculturists' Loans Act to meet demands for loans for the purchase of fodder. amounts surrendered by Collectors as noted above aggregating Rs. 11,080 were allotted to that district,* and the Collector was informed that further allotments would be made on hearing from the Collectors of other districts who had been addressed. The papers read at the head of these Proceedings contain the replies of Collectors to B.P., No. 5164, dated 26th August 1898. The Collectors of Ganjam, Kistna, Bellary, Coimbatore and Salem report that they can surrender the amounts noted in the margin † which aggregate Rs. 27,700. Out of this amount, Rs. 3,920 will be allotted to the Nellore district in addition to the allotments already made; and the balance, viz., Rs. 23,780 will be held as reserve at the Board's disposal to meet demands, if any, from the Collectors of other districts. The Collector of Nellore will, at the same time, be requested to state whether, in view of the recent improvement in the season in his district, he will require the whole of the additional allotment placed at his disposal. The Collector of North Arcot reports that, in consequence of stoppage of payments of loans in last year, a large portion of the allotment for the current year will be utilized for payments of second instalments and in accepted cases of that year and that an application will shortly be submitted for additional allotment required on account of fresh loans to be granted during the current year. He will be requested to submit his application at an early date. The Collector of Tinnevelly, while surrendering Rs. 3,000, states that, considering the unfavourable nature of the season in his district, he will be glad if the amount can be left for use in his district, on the understanding that it is surrendered later on if it appears unlikely that it can be spent. The Collector will be informed that, in these circumstances, the allotmemt for his district will remain undisturbed.

2. Annexed is a statement showing the allotments made in B.P., No. 145, dated 6th April 1898, the allotments as they at present stand and the amounts advanced up to the end of August last. The total amount advanced bears a very small proportion to the allotment sanctioned. The Collectors of districts in which there are large balances are requested to use their best endeavours to see that the allotment is fully utilized before the close of the year.
