Proceedings of the Board of Revenue
(Land Revenue)
No.2752 Misc., dated 5th October 1898.

Read letter from E.A.Elwin, Esquire, Acting Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, Madras, C.No.2525/acc, dated 11th September 1898.

Resolution

The Collector of Bellary reports that, owing to his constant tours in connection with plague precautionary measures, he has not been able to verify the monthly cash balance of the Huzur Treasury since May last although he signed the cash balance report for August in camp, at Hospet. Under article 336, Civil Account Code, the Collector should not, unless specially permitted by the Local Government in each case, allow more than two months to elapse without a personal verification of the cash balance, to be reported to the Accountant-General. The Collector requests a relaxation of this rule so long as plague operations are in force in his district. The Board supports the Collector's request and solicits the sanction of Government under article 556 Civil Account Code.

Resolution

The Collector of Bellary reports that, in connection with placing the Taluk Treasury under the Joint Magistrate, he has not been able to verify the countersigned vouchers in connection with the Joint Magistrate's cash balance for August 1898 as the cash balance has not been received from the Treasury. He therefore requests that he may be allowed to report the result of verification of the cash balance, to be reported to the Accountant-General, after one month.

The Board accordingly request that the Collector may be permitted to report the result of verification of the cash balance, to be reported to the Accountant-General. The Collector requires a relaxation of Article 336 Civil Account Code. The Board suggest the Collector's request and point out the sanction of Government under article 336 Civil Account Code.

FOR ORDERS.

In B Proceedings No. 2752 dtd 5.10.98, the Board of Revenue solicited the sanction of Government under article 336 Civil account Code volume I for the relaxation, in favour of the Collector of Bellary so long as plague operations are in force in his district, of the rule requiring the Collector once to allow more than two months to elapse without a personal verification of the cash balance to be reported to the Accountant-General. As was done last year, the delegation may be sanctioned by this Govern-ment and the Government of India may be addressed to confirm the action. As the duty of verification has to be delegated to the "the Commanded assistant; the papers may be transferred unofficially to the Public Dept for necessary action

As Mining Standard at present. The Con.'s plague work is on the Rail line & it would be better to attend for verification of the cash balances without difficulty. If plague spreads into the interior of the District the case will be different, but as long as the Con.r's chief work is inspecting his Camps at Koppeth & Tungabadra & the village of Mallapuram & Hindupur find no difficulty in being in Bellary for the very short time this cash examination necessitates.
