2. In the Budget Estimate of charges relating to the Irrigation less Land Revenue from the Chingleput District for 1899-1900 the Collector had made a provision of Rs 246 under "Establishment" "Kiramtals" in the Budget and revised estimates, the account representing the cost of an establishment consisting of one Overseer on Rs 7 and 4 coolies on Rs 4 employed for the Readjustment of a dam in the Cheyar river ("Kodumbu"). The Board remarked that the provision should have been shown under "Temporary Establishment and Allowances", as the establishment was considered to be only temporary. It will be noted that the item in question was included under "Temporary Establishment and Allowances" in the Budget Estimates submitted to Government for previous years. The Collector replied that the establishment was maintained throughout the year and was therefore treated as permanent. The Board
