Proceedings of the Board of Revenue 2 P.

(Separate Revenue),

Dated 9th September, 1895.

No. 3851 Mis.

Resolution.

In para 2 of G. O. Revenue Department dated 23rd July 1895 Mis No 2929, ~ Government desire that, in view of the fact that the duties entrusted to the Sea Customs Deputy Collector are under the control of the Board in the Department of Separate Revenue, the Full Board should report whether it would not be better to class that officer among the Assistant Commissioners of Salt and Abkari instead of among the Deputy Collectors who belong to the Land Revenue establishment.

2. The Board begs leave to state

2 that.

that the Civil list does not include the Sea Customs Deputy Collector among the Land Revenue Deputy Collectors. The pay of the former is charged to "Customs"; while the pay of the latter is charged to "3 Land Revenue". There was a Deputy Collector of Sea Customs long before Act VII of 1857 relating to the appointment of Land Revenue Deputy Collectors was passed. There seems therefore to be no necessity to treat the subject as one for the Full Board.

3. The total salary of the Deputy Collector of Sea Customs (Rs 500 + personal allowance Rs 50) nearly corresponds with the pay of a third grade Assistant Commissioner of Salt and Abkari Revenue. If the proposition statement submitted to Government with Board's Proceedings dated 13th June 1895 No 259 in

accordance with the proposals generally accepted by the Government of India is finally sanctioned, the Deputy Collectors pay will be Rs 700, which corresponds with the pay of a second grade Assistant Commissioner. It would be well to grade the Deputy Collectors of Sea Customs with Assistant Commissioners of Salt and Abkari Revenue, especially if the increase of pay is sanctioned, as it would allow of an officer with special qualifications holding the appointment for a long period without losing all promotion. There should be no difficulty in finding qualified officers in the department of Salt and Abkari Revenue to hold the post. This mode of recruiting is in accordance with the general scheme sketched in Board's Proceedings dated 13th June 1895 No 259.
