MADRAS FORT 29-11-91

7963, 8048
 Nos 7877, 7962, 8053 & 8068

From MRR K. Lakshminarasimhan Naidu
 High Court Vakil
 & the Zamindar of Udayarpalayam
 Dated 16, 21, 18th, 21st, 26th Nov 1898

FOR ORDERS

To Under Secy

Please see
 Secy remarks
 on telegram
 in C.L. 8053

These are appli-
 cations made by or on
 behalf of the Zamindar
 of Udayarpalayam for cer-
 tain records alleged to be
 required for production in a
 suit (important to the appli-
 cant but not to Govt) posted
 for hearing on the 28th inst.

C.L. 7877
 (1)

2 The first application
 for the records was sent in
 by a Vakil on behalf of the
 Zamindar on the 18th inst
 i.e. 10 days before the hearing
 of the suit and before the
 question of its rejection under
 the Petn rules could be sub-
 mitted for orders the second
 application from the Za-
 mindar himself was received

C.L. 7963
 (2)

on the 21st Both the appli-
cations were to a great extent
vague and contained requests
for a ^{large} ~~great~~ number of papers
the Record Office was not able
to collect them all but as the
Vakil had expressed a wish
to be furnished with such of
them as could be had easily
the papers sent by the Record
Office last evening are sub-
mitted herewith, with such
~~rewards~~ information con-
cerning them as could be
gathered from an examination

(1) Sanads relating to
a lot of Zamindars in
which the applicant is not
directly interested - The
Record Office says that it has
not yet been able to trace
the Sanads asked for - A further
search is being made

The Court has
given a certificate

(2) GO "Concerning the
Udayarpaliyam Zamindar
of 9th November 1799" There
is no E.M.C. of that date re-
the Zamindar in question
there is however a paper
of

FOR OIDEB,

of the ^{same date} ~~Sanads~~ - a letter
to the G.C. in C from the
Govt - re the steps taken
to suppress the Commotum
in the Southern Poligar
countries. Probably this
paper is meant. There does
not appear to be any ob-
jection to printing a copy

(3) GO concerning
the same of 17th Sept 1817"

- The correct date appears
to be 30th Sept 1817. The
E.M.C. contains a report
from the Board re. the
Settlement of the Palayam
and other tracts with the
orders of Govt (i.e. a letter
to the Board). There seems
to be no objection to printing
copies of both but it will
perhaps be ~~expedient~~ un-
necessary to grant copies of
the Board's letter to the
Collector

(4) Govt Proceedings
from the year 1832 to 1835
re. the attachment re. of

the

the Zamindar - there are
no papers in the years and
of the (year) description re-
ferred to In 1836, the
Zamindar was taken
under the management
of the Court of Wards and
in 1842 was made over to
the man referred to in the
application. Probably these
papers are meant. There is
no objection submitted
to granting copies of them.

(5) Proclamation re-
lating to the Zamindar
dated 1st Decr 1801. Please
see volume put up. A copy
may it be submitted be
granted

(6) Proc of Govt R.D
n° 2730 dt 10. XI 65

The GO relates to the
settlement of an estate
Paliyans. A copy of the
order above may it be sub-
mitted be granted

(7) GO dt 17th July 1845
The paper is not traceable

(8) "Proc or orders"
in the year 1816 informing
that the original rights
possessed in the Said Zam-
dar have been restored to
the Chou Zamindar". It is
reported that ~~the~~ papers
cannot be traced

(9) Reports sub-
mitted by the Collector of
Trichinopoly in the years
1818, 1819, 1821 and 1822.
It is reported that no papers
can be traced

(10) GO re the
Succession of the Zamindar
in 1835. The papers re-
ferred to are probably the
same as those mentioned
in item (4) above. The
Record Office says that no
other papers are traceable

3 Besides the
above the Vakil in his
application dt 16 XI 98
has asked for copies of
I GO dt 27 II 28 &
II all papers re: the
Zamindar

Amindan of 1800, 1801
1802, 1803, 1808, 1809 1815
etc. etc

Such of the papers as
could be traced ^{have been} put up
but as the petⁿ is from
a Vakil and not the Zamindar
and as the petⁿ of
the latter must in any
case be considered to have
superseided that of the former
it is presumed that copies
need not be supplied

1817

4 The Zamindar
has ^{sent} 10 R worth of Court
fee stamps as search fees
these fees in the absence
of the ^{no} and date of the
papers asked for cannot be
easily calculated with re-
ference to the rules ap-
pended to G.O. no 1052 Rev
dp 5. XI 93. The ^{stamps} ~~money~~
already sent may perhaps
be accepted as sufficient

5 The copies
have to be made out of
office hours by the typists
who

who are specially paid for
it out of the value of copying
stamp's produced. If there-
fore orders are passed today,
the copies can be made
tomorrow (a holiday) and
despatched the day after
so as to reach the Zamindar
at Tenali on the
28th morning.

The copies noted above
may, it is submitted be
forwarded. The Zamindar
may have to first
asked to deposit
the amount of search
fees required.

It appears the
are no rules for the
fees to be charged for
searching & making copies
of records in the Govt office
nor as to the process of

with observed in dealing
with application for
express. The rules in
Go 1052 Rev & 5-11-93
B
clearly apply, viz, to
subordinate officers.
If the Secy thinks it
desirable, a separate
note on the subject
will be prepared in
order that the Public
Dept may be moved to
make such rules.

I understood the
Secy thought this matter
urgent as concerning ~~the~~
public interests but
the Zamindar alone
seems concerned, so
I do not think it
necessary to submit the
file on Saturday, ~~as~~
the office is closed.

See notes in margin as to
copies to be given.

To Under Secy
A draft GO is submitted.
