2 BOARD OF REVENUE (LAND REVENUE), No. 259, 28TH SEPTEMBER 1898.

PROCEEDINGS OF THE BOARD OF REVENUE (LAND REVENUE).

READ—again Proceedings, No. 191, dated 21st July 1898.

ABSTRACT.—Communicating to all Collectors, Conservators of Forests and Forest Settlement-officers, with remarks, Government Order on Mr. Meyer's proposals regarding the appointment, leave, &c., of public servants; and submitting to Government a memorandum of alterations in the draft "Public Servants" Chapter rendered necessary in consequence of the Government Order.

RESOLUTION—No. 259, dated 28th September 1898.

With reference to paragraph 2 (18) of Government Order, No. 282, Revenue, dated 18th May 1898, communicated with the Proceedings read above, the Board resolves to direct the abolition of taluk account No. 51 and also that of the fasliwar statement of lands acquired by public servants (jamabandi statement No. 13), which is at present submitted to it by Collectors with their annual settlement reports with reference to rules V and IX respectively of its circulars of 28th August 1849 and 13th October 1862 and to paragraph 1 of Board's Proceedings, No. 2352, dated 18th October 1881. The Board observes that the reasons adduced by Mr. Meyer for the abolition of the former statement apply with equal force to the case of the latter, and presumes that the Government does not desire the continuance of either return.

C No. 7101

From the Board of Revenue Land Rev.

Nº 259. Dated 28. 9. 1898.
Recd. 17. 10. 98.

FOR ORDERS.

To the Under Secretary.

In para 32 of his letter printed in G.O. No. 282, 18-5-98, Mr. Mayor suggested the abolition of Taluk Account Nº 51 (fasliwar statement of lands acquired by public servants) on the ground that the Taluk return was useless with reference to the more ~~and~~ elaborate information required by articles 4, 12, 13, 14 and 15 of the Public Servants Manual. In para 2 (18) of the said order, the Govt accepted the suggestion and sanctioned the abolition of the return. With reference to the said order of Govt, the Board of Revenue, in its Prop. read above, directs the abolition of the Taluk Account Nº 51, as also of a similar return (jamabandi statement Nº 13) with which the collectors are now required to submit along

(in C. B. 467

with their annual settlement reports.

2. The circumstances under which Collectors were required to furnish, in their annual settlement reports, information relative to the lands acquired by the native public servants in their districts were as follows:—

In their letter of 29.11.88, No. 19, the Court of Directors, while withdrawing the prohibition imposed on native public servants from holding lands, directed that means should be adopted for keeping the attention of the Revenue and Judicial officers alive to the rules on the subject. The rules appended to the Board's Circular Order of 28.8.1849 were the result of this communication. Under Rule V of this Circular, the Collectors were required to ~~maintain~~ keep a register of all lands required by their Huzars and taluk establishments and to submit ^{along} with their annual settlement reports, an extract from the said register showing the entries made in it during the year. By Rule IX appended to Board's Circular Order

FOR ORDERS.

in Cons. 29.11.1848

vide also Circular in FO 2137 Rev
4-10-62

of 13.10.62, Collectors were required to furnish information on the matter in a short and "Concise" abstract statement entered in the settlement reports. A form of this statement was prescribed in B.P. No. 2352 in G.O. 1654 Rev; this form has been numbered as Jamabandi statement No. 13 — vide forms of statements stitched with C.O. 467 5.6.89

2. It will thus be seen that the Jamabandi statement No. 13, the abolition of which is now directed by the Board of Rev, was prescribed with a view to ensure a scrutiny in the matter of the acquisition of lands by public servants; and is ~~neither~~ required by the Govt of India ^{neither} nor the Secretary of State. As full information on the matter is ~~now~~ ^{now} required to be furnished ^{by each public servant with reference to} the Public Servants Manual, there seems to be no objection to approving the abolition of Jamabandi statement No. 13 also.

Hu.

I am not sure that it is wise to abolish this account, as it is a useful check on the holding of lands by public servants. The reasons given by the Ct. of Directors in 1848 seem still to apply.

S.R. 29/11/8

In view of the special returns required by the Public Servants' Manual I think Jameson's statement XIII is superfluous, & wd. inform the Bd. that its promulgation is unnecessary.
