Dated 17th November 1898.

Mis. No. 4882.

-----:0:-----

Read letter from Bryce McMaster Esquire, Acting Deputy Commissioner, Central Division, No. 5713, dated 1st October 1898, submitting certain reports called for by the Board in its review regarding on his report A the Sanitary Officer's Memorandum on the condition of the factories in the Ennore Circle.

Resolution.

The epidemic of fever which has existed off and on in the Ennore Circle for the last three years has been the subject of investigation by two District Medical and Sanitary Officers of the Chingleput district and by the Sanitary Commissioner. One of the several preventive and remedial measures recommended by these officers for adoption is the supply of warm clothing to the men, and it is a measure which the Board considers it most advisable to adopt. The Deputy Commissioner reports that warm clothing is required for 18 Petty Officers and 38 peons. The Board recommends the issue of a ~~khaki~~ *and a country breeches.* khaki serge coat ~~and breeches~~ to each of these men annually. The

Annual expenditure will amount to Rs.252. The charge for the current year can be met from the lump provision of Rs.30,000 made for "Liveries and Clothing of servants" in the revised budget, and due provision will be made in the annual budgets for charges of future years, if such appear necessary. The sanction of Government is accordingly solicited for the supply of the clothing referred to. An application in the form prescribed in Government Order His. No. 4903, Revenue, dated 17th September 1897, is herewith submitted for transmission to the Superintendent of Stationery, Madras.
