Rec'd 28.11.98

My dear Tatlow

In my d.o. of the 17th I said that I was asking Taylor if he could put off taking his leave till after Christmas in view of Taylor's objection to Graham leaving Chicacole before then.

I have heard from him today
& learn that he has taken

his passage in a steamer which leaves Colombo on the 23rd and that he is unable to exchange it for the next. I am afraid therefore that Graham, if any reconsideration of them is approved by H.E., must be ordered down at once.

In this connection I perhaps ought to mention that McRae should be transferred to Trincomalee and Graham brought into Madras.

H was delighted to hear the Civil Dr. under his own eye and I think he was quite right in it, moreover I should be very doubtful to plunge a new comer who has everything to learn straight into the difficulties of West Coast affairs at present conducted. In the Central Division he will have less abnormal systems to deal with and will be able to acquire a working

knowledge of the unusual area first.

If this transfer is made there will be even more necessity for expedition, though there used to very little delay over the Masters' passing.

I request therefore that I may be favoured with very early advice in the matter and that the same may be communicated by wire to Graham if he is to come into the department

Yours sincerely
