Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture),

Dated 24th November 1898.

No. 6829. misc.

Read the following letter from L. M. Wynne, Esq. I.C.S., As. Collector of South Arcot no. 86 of '98 dated 27th October 1898:-

The ryots of Muthathur Mandagapudi propose to extend at their own cost, the bund of the minor Irrigation tank in that village as its present capacity is reported to be insufficient

for the Ayatad lands under it. The extension will cover 8.33 acres of land as shown in the margin; 3.47 acres of which are patta lands, and the rest poramboke and assessed waste lands.

S. No. Extent in acres.

100 A	1.57	Poramboke
101 C	0.28	
102	0.86	
	<u>3.71</u>	

102A 1.15 assessed waste

100 B	0.15	Pattalands
101 A	2.93	
101 B	0.4	
101 D	0.12	
	<u>0.23</u>	
103	<u>3.47</u>	

Grand Total 8.33

The

The extension has been declared un-objectionable by the department of Public Works, and would, it is reported, lead to the conversion of ^{about} 50 acres more from dry to wet, which is expected to yield an annual increase of revenue amounting to Rs 175.

Before proceeding with the work, the patta lands involved have to be acquired under the act. In 3 out of the 5 cases, the pattadars are willing to give up their lands gratis. The pattadar in the remaining two cases viz S. no. 101 A and B declines to part with his lands even on payment of compensation. I therefore recommend the acquisition of all the patta lands under the act, so that Government may have an indefeasible title to them, and accordingly enclose a draft declaration for approval and transmission to Government for publication in the Fort St George Gazette. The cost of

acquisition, as well as of extension has been recovered from the interested ryots. But as under Section 6-1 of the act, a portion at least of the cost of acquisition is to be paid out of public revenue, to render it valid under the act, I recommend the contribution of a nominal sum of Rs 1 from the District Reserve under Minor Irrigation and request the Board's sanction for its payment.

The statement obtained from Vellaga Koundan, pattadar of the 2 fields above referred to and a petition presented by his son objecting to the proposed acquisition, with translations thereof are also enclosed for transmission to Government along with the draft declaration.

Resolution:-

The draft declaration received with the collector's letter

read above will be submitted to Government, with the Board's recommendation that it may be approved and published in the Fort St George Gazette.

2. The collector reports that the land shown in the notification is required for extending the bund of the minor irrigation tank in the village of Muttakur Mandapaput, Villupuram tank; that the present capacity of the tank is insufficient for its ayakat lands; that the extension which will cover

8.33 acres of land as shown in the margin has been declared unobjectionable by the P.W.D., and as likely to lead to the conversion of about 50 acres of dry land into wet, and thereby to an annual increase of Revenue amounting to Rs 17.5, and that the cost of acquisition as well as of extension has been recovered from the ryots. The amount recovered from the ryots concerned has

	acres
Poramboke.	3.71
Assessed waste	1.19
Puttaland.	3.47
	<u>8.33</u>

has not been reported. The omission should be supplied. The cost of acquisition of land is estimated in the notification at Rs 238.

3. The nominal sum of one rupee recommended by the collector as contribution by Government is sanctioned from the source indicated by him.

Translation of a statement of 26.9.98
made by Vellaya Gowden son of
Vijayari Gowden of Mandagadab
(Muttathur) -

It appears that 2-93
in Survey No 101 A + 0-04 in Sur-
vey No 101 B = 2-97 of land are
required for the enlargement
of the tank of Mandagadab (Muta-
thur). I am unwilling to part with
it either as a present or on pay-
ment of Compensation. I pur-
chased it, ten years ago, from
Appann Niyar for Rs 340.
It will now worth Rs 200. I am
unwilling to part with it even for Rs 200
as I have got no other land.
