Office of the Board of Revenue

(Land Revenue)

Madras 26th July 1898

Read.. letter from V. Brodie Esq.,Collector of Godavari, Ref. on Our NO.1029 Ver. of 1896,dated 2nd April 1898,requesting that the sanction of Government may be obtained for the preparation by the D.P.W.of an estimate for wire fencing to the compound of the Deputy Tahsildar's office,Prattipadu,and Reference thereon NO.456 dated 22nd April 1898.

,, ,, also letter from the same officer R.C.NO.1029 Rev. of 1898,dated 14th July 1898,stating that a mud wall with tiled coving could be put up round the Deputy Tahsildar's office at Prattipadu.

Reference...NO.838,dated 26th July 1898.

Submitted for the orders of Government.

2. In his letter NO.1029 dated 2nd April 1898,the Collector of Godavari sought sanction for putting up a wire fence round the compound of the Deputy Tahsildar's office,Prattipadu and requested that the work might be entrusted to the D.P.W.to be taken up along with the other improvements for which an estimate of Rs. 2740 was sanctioned in G.O.1613 W dated 12th June 1897.In answer to the Board's enquiry whether a mud wall with tiled coving could not be substituted for the proposed wire fence,the Collector now reports that the cost of a mud wall is only about Rs 48 less than that of a wire fence and that he prefers the latter as it looks better and would in the long run be more economical.The Board supports the Collector's proposal.

3. It is observed that the question of substituting mud or stone walls for wire fences in all cases is under consideration in the Public Works Department.Vide G.O.1345 W dated 26th May 1898.

Ag. ecretary.

To the Secretary to Government,Revenue Department.

B.P. Ref no. 838/26-7-98 (Cw 5-332).

Note

In the order of the P.W.D embodied in G.O. 3416 Rev dy 6-7-97, sanction was accorded for an estimate amounting to Rs 2740 for certain additions and improvements to the Dy Tahsildar's office at Rajahmundry in the Godavari district, for execution when funds are available. In addition to these improvements the Collector now proposes that a wire fence may be put up round the Compound and accordingly requests Sanction therefor and for the work being taken up by the D.P.W along with the other improvements. The Board of Rev. enquired whether a mud wall with tiles coping could not be substituted for the proposed wire fence. In reply the Collector states

that

that the cost of a mud wall is only about Rs 48 less than that of a wire fence and that he would prefer the latter "as it looks better and would in the long run be more economical". The Ags support the collector's proposal. The Hons have already decided against wire fences (the papers are put up with Tirukoilur and Chatrapur files).

Secy The files are above. There seems to be no reason to reconsider the decision against wire fences unless special advantages in the favour of such fences are shown — which is not the case here.

Hon. S.R. 7/9/98

I don't remember to have seen the decision, but it should be adhered to.

M.A. 3.9.98.

* relating to Tirukoilur and Chatrapur.

Cur 5-332/98

E.S.

Where are the other files?

(Ags) R.S. 6-9-98

They have been returned to the P.W.D.

(Ags) E.S 6-9-98

E.S

Ascertain what action is being taken in that dept and whether the papers have again been sent to Hons. It would be passing conflicting orders.

(Ags) R.S 9-9-98

Tirukoilur Case is going in Circulation. In the other Case (Chatrapur) orders are being passed. It was not a case of public office, but a residence, and a wire fence was allowed for it.

To n-s

Please see P.W.D draft-letter dy 4-10-98 flagged A in the linked file. As the decision against wire fences has now been reconsidered, the proposal of the Collector of Godavari (in Revenue Current No. 5332) to put up a wire fence round the (compound of the) D.T.S office at Bobbili may be approved and transferred to the P.W.D

RS
7-10-98

The further discussion in this Dept on the subject of wire fences resulted in the rescission of para 5 of the P.W. draft order on the

old draft order

5. "In the circumstances explained by the Chief Engineer "H.E. the G in C. has no objection "to wire fences being used pro- "vided they are properly con- "structed, and considers that "the particular material to be "adopted for each public "building should depend "on local circumstances."

the Trunkroad Case which as revised has been countersigned by the R.D. the ~~Secretary~~ ~~Head~~ Secretary to Govt. Roads as follows:—

5. "H.E. the Govt in Council "agrees with the Chief Engineer "that it is inadvisable to lay "down any hard and fast rule "in regard to the kind of enclo- "sure to be provided for "public buildings. Local Cir- "cumstances must determine "the material to be used in "each case".

In the present case (of Taluk office, Prattipadu), it has been decided (above) that no special advantages have been shown in favour of a wire fence ~~over that~~ ~~therefore~~ ~~the~~ ~~wire~~ ~~fence~~ ~~should be~~ ~~allowed~~

~~A draft order to accordingly submitted for approval.~~
