Proceedings of the Board of Revenue (Land Revenue).

Forest No. 786 Misc., dated 28th November 98.

Read again B.P. Forest No. 564^{Antine} dated 7th October 1898 requesting the Superintendent of Stationery to ~~the~~ supply the District Forest Offices, North Arcot at Vellore direct with a certain number of Stamp required for his office use.

Also Endorsement of the Ag. Under Secretary to Government, Revenue Department, dated 2nd November 1898, No. 4253, Minor letter from J. A. Atkinson Esq., Superintendent of Stationery, Madras, dated 18th October 1898, No. 2776.

Resolution.

In reply to the Government Endorsement read above, the Board submits that it approves the proposal to supply the rubber stamps in question to all District Forest Offices, except of course those who have already been furnished with them; it is required in order to facilitate compliance with the instructions contained

Section 188 of the Madras Forest Code (Under
ultimate Sentence of paragraph 1).

With reference to paragraph 2 of the
Superintendent of Stationery's letter, the Board
would prefer to retain the words to which
it takes exception. It is advisable to bring
the Code provision plainly to the notice
of the drawing officer each time that he
signs the cheque and the retention of the
words referred to will secure this and
prevent the possibility of any mistake.
The Board proposes to have the same
entry printed on the reverse of the counter-
foil of each cheque when the next supply
of cheque-books is made, but there is
at present so large a stock of cheque-books
on hand that the supply of rubber stamps
appears desirable.

Proceedings No. 786 mis Dated 28 — 11 — 1898.

FOR ORDERS.

Under section 188 of the Forest Code, on the Counterfoil of each cheque issued by a District Forest officer, should be entered the balance at his credit in the treasury on which the cheque is drawn. With a view to facilitate compliance with the above provision the D. F. O., Maricot had asked for the supply of a rubber stamp containing the necessary entries. The Superintendent of Stationery who was requested by the Board to make the supply, addressed the Financial Department for orders as to whether the stamp of the kind mentioned might be issued to all D. F. O's.

In forwarding the Superintendent's letter (u.o), the Finance Deptⁿ remarked that the supply of the stamp appeared to be scarce.
