ORDER—No. 3007 W., dated 24th November 1898.

His Excellency the Governor in Council considers that additional quarters near the Government offices on Stonehouse Hill, Ootacamund, should be provided for the Secretariat clerks, as the existing number of quarters is insufficient. It is observed that 43 clerks are taken up annually to Ootacamund, while quarters are available for 32 only. There are thus 11 clerks left without accommodation. It will be sufficient if six additional quarters are constructed. Accommodation will also be available for some of the remaining five clerks in the old Jail hospital at Ootacamund, orders regarding which are being issued separately. As two additional quarters are already under construction on Stonehouse Hill, sanction is accorded to the erection of four more on the same site. The Superintending Engineer, IV Circle, will submit the requisite estimate.
