2. In that proceedings, the Board remarked
that it had not been ascertained whether
Surgeon-General Egg had been regularly
paying the cess due on his estate according
to the Conditions of the title-deed issued to
him and stated that enquiries were being
made in the matter. It now appears from the
Collector's letter read above that the cesses due
were not paid for faslis 1297 & 1298 and
that in consequence the estate was sold for

arrears of revenue (cesses) in 1889 and bought in by Government for want of other bidders. The amount of cesses in arrears, viz, Rs. 46-5-8, was recommended for remission in the Statement of irrecoverable arrears for the 3rd quarter of 1889 and was written off the accounts under the sanction of Government conveyed in its order No. 563 Rev. dated 21st July 1890. Since then, it is reported that the land has been lying waste.

3. In these circumstances, Surgeon General Ogg has no claim to the land unless it is restored to him under a fresh title-deed.

SIR,

In continuation of my letter No. 2680^{Rev} of 1898, dated 27th October 1898, on the petition of Surgeon General Ogg addressed to Government, I have the honour to state that, on further enquiry I find the estate was sold in 1889 for arrears of revenue (cesses) of Fasli 1297 and 1298 and bought in by Government for want of other bidders. The arrears amount, Rs 46-5-8, was recommended for remission in the Statement of irrecoverable arrears for the 3rd quarter of 1889 and sanctioned to be written off the accounts. Vide Board's Proceedings No 463 (Land Revenue) dated 5th August 1890, on G. O. No 563 Revenue, dated 21st July 1890. Since then the estate is lying waste and is occupied by nobody. I request therefore that para of my letter quoted above may be read in the light of the remarks.

I have the honour to be,
your most obedient servant
