Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture),

Dated 29th November 1898.
No. 6899 Miscellaneous.

READ again B.P. no 5954 dated 6.10.98, recording with remarks the statement of famine expenditure for the month of August, from the Collector of Bellary.

Read also B.P. no 6259 dated 25.10.98 recording, pending receipt of replies from other collectors, letter from the Collector of Bellary explaining the variation between the estimated and actual expenditure on account of famine in the Civil Department.

Read also letters from the Collectors of Kurnool, Coimbatore, Kistna, Bellary, Bellary, Trinnevelly, Ganjam, Vizagapatam, Anantapur, Chuddapah, explaining certain discrepancies,

discrepancies in the Famine estimates for August 1898.

Resolution:—

With reference to para 1 of G.O. No 550 Rev. dated 23. 9. 98, the Board begs to submit a statement explaining the variations in question as far as possible. It is observed that any attempt to explain the differences in such cases can hardly be of much use, as the actuals in question are unaudited and are subject to alteration.

1. No amount was drawn from the Treasury in the month under 33D as outstanding advances covered the expenditure of the month. The actuals shown under 33A relate to 33G and were wrongly debited to 33A in the Treasury accounts. Provision made under 33A for undistributed salaries was not utilised during the month. Short expenditure under 33F was due to decrease of the minimum work.
 2. Expenditure under 33A was on account of arrears of undistributed salaries not included in the estimates as the Collector was under the impression that only new items of charge and need be shown therein. The expenditure under 33C was emergent for which sanction was subsequently obtained.
- Expenditure was not foreseen and book adjustments. Expenditure under 33A was insignificant and hence omitted in the estimates. That under 33F was for book adjustments.

- 5. Expenditure was incurred under the idea that it could be met from the budget grant sanctioned in G.O. 297 dated 14.1.98.
- 6. Expenditure represents work adjustments not anticipated.
- 7 and 8 Expenditure not foreseen.
