SUBJECT.

Considering that the experi-
ment of making the Deputy Tahsildar's
office at Satyamangalam a receiving
and transmitting office should be
given a longer trial before any
other proposals are made for the re-
lief of the Telavadi hill villages
and requesting the Collector of
Coimbatore to report on certain
points connected therewith.

Proceedings of the Board of Revenue

(Land Revenue).

No. 3354 Misc., dated 25th November 1898.

Read Government Order, Revenue Department, No. 3873 Misc. dated 28th September 1898.

Resolution

In its order read above, Government states that the Board's suggestion to make the Sub-Registrar at Talavadi a Treasury Officer does not commend itself to it and requests the Board to report whether any other arrangement can be made to meet the difficulties referred to in Government Order No. 4243, dated 14th August 1897. Before submitting any further proposals on the subject, the Board considers that the experiment of making the Deputy Tehsildar's office at Satyamangalam both a receiving and transmitting office as proposed by Mr. Bradley and approved in the last mentioned Government Order should be given a longer trial. It affords some relief to village officers during hot months: and in other months, they are allowed to send by Money Order the comparatively small remittances they have to make and, when necessary, draw their pay in a similar manner. The Board accordingly recommends that the Collector be instructed to continue the existing arrangements and submit a report on their working after a period of two years has elapsed.

2. The Government also pointed out in its order No. 4243, dated 14th August 1897 that the convenience of the Forest department was not properly considered when submitting the

7.11.1897/12

Proposals above referred to. It is observed from paras 2 and 3 of the Collector's letter dated 15th December 1897 that forest collections in the Talamalai range amounting to some Rs.10,000 per annum are now remitted by means of postal money orders to Gopichettipalayam but that forest remittances to Talamalai (on account of the pay of forest establishment &c.) which exceed Rs.6,000 per annum are sent by a peon employed by the Department as there is "some account objection" to sending them by postal money orders. The nature of this account objection is not understood as Rule 6 of the rules at pages 11 and 12 of Appendix XVIII to the Forest Code provides for the remittance of advances by money orders. The Collector is requested to submit a report on this point and also to state fully why arrangements cannot be made for the utilization of forest collections for forest charges as an exceptional measure under section 186 of the Forest Code and if any material relief would be afforded thereby.
