Read letter from J.H. Merriman Esquire, Deputy Commissioner, Northern Division, No. 3962, dated 27th October 1893, submitting Mr. Wroughton's explanation for the irregular grant of privilege leave to a certain peon in August 1890, and Mr. Fleming's explanation for effecting the recovery, in contravention of the rules, of the pay drawn by the peon.

Resolution.

The Board begs to request that Government will be pleased to accord sanction, under the Resolution of the Government of India No. 3530, Fz-Financial, dated 13th August 1897, for writing off the accounts the sum of Rs. 3-14-5, which leave represents the privilege allowance irregularly drawn by third grade peon K. Neelayya, of the Konada Circle, from the 2th to the 22nd August 1890. It is reported that Mr. Wroughton, who was in charge of the Circle at the time, granted the peon privilege leave for the period in question when it was not due him.

and that the irregularity was discovered by Assistant Commissioner Mr. Leggatt in September 1897 when he inspected the service books of the Circle. - Mr. Wroughton states in explanation that, at this distance of time, he has no recollection of the circumstances under which he granted the leave, in the absence of the leave application or other records containing his order which are reported not to be forthcoming. The amount was recovered by Assistant Inspector Mr. Fleming, without orders, in March 1898, when he was in charge of the Maupada Circle, to which the peon had been transferred. As the recovery of the leave allowance was made in contravention of the rules, the amount will be refunded to the peon on receipt of the sanction of Government to write an equal amount off the accounts.
