on account of seed grain advance during the famine of 1889, submitted by the Collector of Ganjam Rc No. 899/Ten of 97 dated 17th Oct. 1898.

Resolution.

Submitted for the orders of Government.

2. The Collector reports that of the balance of Rs 329—10—5 still outstanding under

under seed grain advances made during the famine of 1889 Rs 250-2-0 are irrecoverable, as particulars thereof are not available. He Considers that the amount represents probably the expenditure incurred in Connection with the storage and guarding of Seed grain - Vide the Concluding Sentence of para 1 of G.O. No 653 Revenue, dated 18th August 1889, but States that no definite details or entries in accounts are available to show that this is the case. The unsatisfactory State of Records and accounts in the Berhampore Taluk has already been brought to the notice of Government in B.P.

which ought to have been included in the Cost of Seed grain advances to Ryots but has not been brought to account on the part of the Collector and he Consequently could not include it in the Consolidated Statement

Taluk	Village	Name of the applicant or defaulters	Original date of loan	Original amount of loan	Amount recovered	Amount due		Nature description and value of the Security Taken	Amount realized upto date	The circumstances under which the amount became irrecoverable the insufficiency or otherwise of the security originally taken. The measures adopted for the immediate collection of the amount from the date and the explanation of the Officer responsible for the non recovery of the same.	Remarks.
						Principal	Interest				
1	2	3	4	5	6	7	8	9	10	11	12
			1889	"	"	250	2	"	"	There is still a balance of Rs 329.10.5 on account of Seed grain advances made in Fasli of 1889. The accounts connected with these advances were not carefully maintained in the past. This fact has already been brought to the notice of the Board and Government in the marginally noted correspondence. For the Rs 250.2.0 shown in this statement individual ryots accounts are not known and it is not possible to collect the same. The amount is probably the expenditure incurred in connection with the storage and guarding of seed grain vide G.O. No 5376 dated 2nd September 1889. and G.O. No 655 dated 14th August 1889 Revenue, but no definite details or entries in accounts are available to show that this is the case. I recommend that this balance which is now 9 years old may be ordered to be written off the accounts. The further balance of Rs 79.8.5 seems to be due to wrong credits made in the past in the Treasury accounts. The Treasury Deputy Collector has been addressed about it. If sufficiently detailed information for the adjustment of these items cannot be ascertained, the amount will be subsequently recommended to be written off as irrecoverable
