NOVEMBER.

PROCEEDINGS OF THE BOARD OF REVENUE  
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

RESOLUTION—No. 419, dated 15th November 1898.

With reference to paragraph 3 of G.O., No. 33, Financial, dated 5th January 1898, and G.O., No. 520, Revenue, dated 12th September 1898, the Board begs to submit statements showing the actual expenditure up to the end of October 1898, as reported by the Accountant-General and the Examiner of Public Works Accounts, and estimates of the expenditure likely to be incurred in the current, the next and the succeeding months of the year.

2. The particulars of charges up to October under 33-G, have not yet been furnished by the Accountant-General, nor have the Collectors estimated for any expenditure under this head during the current and the ensuing months of the year.

3. As reported already in B. P., No. 344, dated 13th September 1898, and No. 393, dated 12th October 1898, the differences between the estimates and the actuals can be explained only after reference to the Collectors to whom copies of the statements received from the Accountant-General and the Examiner of Public Works Accounts will be forwarded with the request that the variations may be explained.

4. Relief operations in Nellore were closed on the 28th of October. The provision made for this and other districts for the current and ensuing months of the year is required for the payment of outstanding claims on account of expenditure incurred in previous months. The provision of Rs. 1,920 under 33-C. in Ganjám for November is intended to cover the refund to Messrs. Binny & Co. of the amount sanctioned by G.O., No. 3959, dated 4th October 1898.

(True Extract.)

(Signed) R. V. SRINIVASIAH,  
Secretary.

To the Secretary to Government, Revenue Department.  
Collector of Nellore.

The figures given in this statement for October are only approximate, having been specially obtained for the purpose of this statement.

The figures in *Italic Type* indicate minor entries or refunds.

The difference between the figures shown in columns 23 and 47, and these arrived at by adding the transactions of the month with the totals of previous months are due to modifications made with reference to information of statements since received from the Executive Engineer.

\* The information for this column has not been communicated to this office as yet.
