ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS.

To

THE Secretary to Government,

Revenue Department.

SIR,

With reference to Government Endorsement Revenue Department No 4679 M.S., dated the 17th of November 1898 referring for my remarks letter from Dr. A. G. Bourne requesting orders of Government in regard to his travelling allowance bills for his visit to Cocanada and to the Pulneys. I have the honour to state that the sanction of Government is necessary for Dr. Bourne's journey from Madras to Cocanada and back as the Government Order No 191 Educational, dated 19th March 1898 quoted by him sanctions his journey only to the Palni Hills. And

intimation

from Government is also necessary that
his presence at Kodaikanal from 19th May
July 1898 was required on duty throughout the
period as required by article 1225 Civil Service
Regulations. Dr. Bourne is entitled to daily allowance
of Rs. 5 admissible to him as Professor on the
graded List of the Educational Department vide
Entry 81 Appendix 25 Part I to the Civil Service
Regulations. It is for the Local Government to
decide whether he should be restricted to this
or be allowed Rs. 5 a day during journeys under
reference.

I have the honour to be,

Sir,

Your most obedient servant,

W. A. B. Bourne
Accountant-General

Adyar, Madras.

5 November 1898.

To the Secretary to Government, Revenue Department.

From Dr. A. G. Bourne, Acting Government Botanist.

Sir

I have the honour to inform you that the Accountant General
has returned unpassed my travelling allowance bills in respect of my
visit to Coconada to investigate sugar cane, in February last, and
that to the Pulneys in May, June, July of this year, for want of the
orders of Government sanctioning the "Journey from Madras to Coco-
nada and back", and intimating that my presence at Kodaikanal from
the 19th of May to the 14th. July was required on duty (vide art. 1225
C. S. Regns.). He has further raised the question as to the rate of
daily allowance admissible. No rate is specially laid down for the
Government Botanist while a Professor is entitled to Rs. 4 (ordinary
rate) only. I went to Coconada under verbal instructions of the late
Mr. Grose and was under the impression that G. O. 191 Educational
gave the necessary sanction for my visit to the Pulneys. I now seek
the orders of Government upon these matters.

I have the Honour to be, Sir, Your most obedient servant

A. G. Bourne

FOR ORDERS.

To Under Secy :

None see d.o. correspondence below.

Dr Bourne was deputed by the Revenue dep^t to proceed to Cocanada for the investigation of the sugarcane disease and by the Educational dep^t to the Pulneys for the investigation of the flora.

G.O. No. 191 Educational of 19.3.98
[will be obtained from the Educational dep^t if ordered].

2. orders have now to be passed in the following matters:-

(i) Formal sanction has to be accorded for Dr. Bourne's journey from Madras to Cocanada and back;

(ii) Formal sanction under Art 1225 of the C.S.R. ^{has to be given} that Dr. Bourne's presence was required on duty on the Pulneys for the period from 19th May

May to 14th July 1898; and

(ii) Whether Dr. Bourne should get an enhanced rate of daily allowance, Rs 4 being the allowance admissible to him as Professor on the graded list of the Educational dept.

3. The order on points (i) & (iii) will have to issue in the Revenue dept. and that on (ii) in the Educational dept.

4. As regards the daily allowance the Accountant General states that it is for the local Govt. to decide whether Dr. Bourne should be restricted to Rs 4 or be allowed Rs 5 a day during journeys under references.

No authority is traceable in the C.S.R. empowering the local Govt. to increase the daily allowance prescribed by the C.S.R.; but as the Accountant General states that the local Govt. can sanction Rs 5, orders are requested as to whether Rs 5 may be sanctioned.

Note

Under article 1137(1) of the Civil Service Regulations an officer of the first class is entitled to a daily allowance of Rs.5 subject to the exceptions specified in art.1139. Under exception (a) of latter an officer of the first, second or third class mentioned in appendix 25 is entitled to a daily allowance as shown therein.

2. As an officer on the graded list of the Educational Dept. Dr. Bourne can under this exception only draw a daily allowance of Rs.4 but as Govt. Botanist he may under art.

1102 be allowed to draw the higher rate (Rs.5) attached to the appointment of Govt. Botanist under the ~~general rule~~ ^(vide) art.1137(1) of the C.S.R.)

*Dr. Bourne is not Govt. Botanist
He is in charge of the duties
that office and a daily allowance
of Rs 5 is apparently admissible*

under article 1103 of the C. S. R.
 This is the article upon which
 the Ag. seems to base his
 opinion. The Ag. will not
 object to the Rs 57. per diem
 where appears to be no
 reason why D. Bowers
 should not be granted that rate.
