Proceedings of the Board of Revenue

(Separate Revenue),

Dated 25 th November 1898.

Mis. No. 4675.

Resolution:-

The Board begs to request that Government will be pleased to accord sanction, under Article 98 (k) of the Civil Account Code, to the local purchase of three hanging lamps of 130 candle power, at Rs. 25-0-0 each, for the use of its office establishment. Almost all the kerosine lanterns now in use have become unserviceable. To replace 20 of them by D.P.W. camp lanterns at Rs. 7-0-0 each would cost Rs. 140. The Board would therefore prefer purchasing hanging lamps on account of their greater illuminating power, their smaller initial cost and their greater safety. They would be quite as economical in the long run as D.P.W. lanterns. The expenditure of Rs. 75-0-0 can be met from the provision of Rs. 1400 made for "European articles each costing not less than Rs. 5" in the current year's budget. The Board would add that it is essential that these hanging lamps should be purchased locally, as the day is nearing its shortest, and the delay which

must ensure by procuring them from Europe would cause great inconvenience.
