In this connection, I beg to state, that the Port and Marine funds though classified at present under Excluded Local Funds and their balances separately accounted for from the General Treasury balance for departmental administrative purposes, they are under the direct control of the Provincial Government, and are not liable to pay the stamp duty in the same way as they were exempted from liability to departmental charges on stores supplied by Government Dockyards - G.O. I request to be favoured with the orders of Government in the matter.

I have the honor to be
