FROM

President,

District Board,

TO

THE SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

SIR,

The District Board Engineer has represented that the Board has been incurring every year a heavy expenditure on repairs to boats and ballacuts supplied to the punters of the several ferries sold in this District under the Canal and Public Ferries Act and proposed that the Board should not supply boats to them at all, and that when ballacuts are supplied, security to cover any damage done to them otherwise than by fair wear and tear should be demanded. But, the District Board sanctioned only certain rules and conditions to guard its interests in this matter (Vide Copy copy of the enclosed Resolution No. 3, dated 29. 10. 1898). I have, therefore, the

the honor to request that Government will be pleased to sanction the insertion of the rules and conditions therein referred to in the Notification prescribed for the sale of ferries and published at pages 758 and 759 of the Fort Saint George Gazette, Part I, dated 14 June 1892 as amended in G.O. No 711 Revenue, dated 4 October 1894.

I have the honor to be,

Sir,

Your Most Obedient Servant

Uccatatacced
To President, Dist. Board

3. Read Correspondence ending with the opinions of Taluk Board Presidents on the District & Board Engineer's Letter D.O. No. $\frac{585}{838}$ of 98, dated 24.6.1898 suggesting that ferry renters be made to provide themselves with boats in accordance with the rules and that ballakats may be supplied to them on furnishing a deposit of Rs 500/-

The Board thinks no change in the rules necessary but an additional rule is to be made to the effect that (1) every renter shall engage and register a crew for the management of the ballakat and boats according to the scale prescribed in the agreement within one month of the commencement of the lease and shall always maintain the same. Men dismissed or granted leave to being at once replaced by others entered in the register in their place. (2) No person who has not attained the age of 18 years shall be eligible for such employment and the renter will be liable to fine if the whole registered crew

is not always on the spot. The register is to be maintained at the ferry and shall be produced for inspection whenever called for by any officer of the Revenue or Local Fund Department not below the grade of Revenue Inspector or Sub Overseer. The names of the crew originally engaged shall be reported to the Taluk office before the close of the first month of the lease and all subsequent changes shall be reported within 3 days (2) Ballakats and boats supplied to renters shall be overhauled every year and payment for all damage not due to fair wear and tear shall be strictly enforced and (3) Deposits shall not be returned to renters until the boat and ballakats have been made over in good order to the Local Fund Engineer or such subordinate as he may appoint for the purpose or any damage to be paid for duly paid.
