FURTHER PAPERS.

G.O.	No.	Department.	Date.

Office of the Board of Revenue,
(Land Revenue),
Madras, dated 6th December 1898.

Read letter from W.O. Horna Esq., Collector of ---
Vizagapatam to the Secretary to the Commissioners of Land Revenue,
Madras, R.C.No. 2699, dated 1st November 1898.

Reference No. 1588, dated 6th December 1898.

In its Order No. 281 His. dated 31st January 1896,
Government approved a draft notification for the acquisition of a
piece of land required for a fresh village site in Yettur. Adupa-
ravu, as the old village site was in danger of being washed away
by the Nagavali River. The land was accordingly acquired under --
the Act; but before arrangements could be made for shifting the --
houses, the new site was found to be open to the same objections
in consequence of a change in the trend of the river and the vil-
lagers pointed out the necessity of protecting it by extending --
the flood embankment along the left bank. As the Executive Engi-
neer however does not consider it advisable to extend the embank-
ment in this manner, and as the cost of doing so would in any --
case ^{be} prohibitive the Collector now proposes to acquire in a ----
different locality an extent of 5.27 acres of patta land assess-
ed at Rs. 15-15-0 for the purpose of a fresh village site. The ---
draft notification on this subject received from the Collector -
of Vizagapatam will be submitted to Government for approval and
publication in the Fort Saint George Gazette. The notification --
provides for taking possession of the land urgently under section
17 of Act I of 1894.

2. From an English translation of the objections ~~filed~~
~~objections~~ filed by the ~~three~~ owners of the land, which the Col-
lector now proposes to acquire, it would appear that two out of -
the three apply for a compensatory grant of land forming part of
the extent which was formerly acquired for the same purpose; this
request is inadmissible as the land in question should under the
rules (S.O. 11 paragraph 19) be first offered to the ^{original} owners. --
The third owner is ^{unwilling} ~~willing~~ to part with his land on the ground -

5. The estimated cost of acquisition-viz-Rs.272-12-3 can be met from the amounts surrendered by Collectors under "5-Land Revenue-Charges of District Administration".

Kalevarapu Ramayya, son of Appayya of Anipili
states as follows.

Keit No 159 B of yetivadduparata village is included
in my patta. I do not like to give it away for construction
of the village thereon and take in exchange an equal
extent of land from Keits Nos 37, 38, 39, 40 A & 41. My
land is good, while that to be given in exchange for it
is not. No ryot wants it for cultivation. I do not
like to part with my land even on condition of being
paid money compensation. The land is the only means
of livelihood for me and my family.
