REVENUE DEPARTMENT.

(C No. 6494 & 7219)

From The Resident in Travancore & Cochin

Nos 2844 & 3224 Dated 12th Sept & 16th Oct 1898.

FOR ORDERS.

To Under Secy

In the first letter read above the Resident in Travancore & Cochin forwards an indent for stores and stationery required by the Cochin Survey dept and requests that arrangements may be made for their being supplied on payment by the Supt Madras Survey who it is reported has promised to arrange for the purchase of the articles if ordered by Govt. In the second letter a modified indent is forwarded as some of the articles mentioned in the previous indent had to be purchased from private firms owing to the urgency of the work.

A

2. Attention is solicited to G.O. No. 607 of 2.2.97 from which it will be seen that, in connection with a similar request from the Political Agent for Pudukottah the Supt. Madras Survey stated that the articles were obtainable from Messrs P. Orr & sons and other dealers and that the Pudukottai Govt. should be referred to them for the reasons given in para 2 of G.O. No. 1077 W of 2.4.92 in which it was stated:— "His Excellency the Governor in Council considers that the time has arrived for materially restricting the amount of private work undertaken by P.W. Workshops, and is accordingly pleased to direct that no work of this kind shall in future be received, without the express sanction of Govt., which will only be given in special and exceptional cases."

B

3. In the present case it is a question for consideration whether exceptional circumstances exist for directing the Supt. Madras Survey to undertake the work

WBr
31/10/98

Secy

There does not seem to be any question of the Supt. Survey or the P.W.D. workshops undertaking any work, but only of the Supt disposing of surplus stores. (Vide the last portion of Mr Thompson's letter of 26-8-98 in the first Current-No 6494).

The test or indent may, it is submitted be sent to the Supt of Survey & he be asked whether he can spare the articles required from surplus stores without inconvenience to present or prospective
