Current No. 8210 of 1898

From The Board of Rev (Land Revenue)

Dated 30—11— 1898.

FOR ORDERS.

In Rev Sec 4050 10-10-98 F

With reference to Sec. 2098 W & 16-8-98 requiring that "when lands usually leased out by "the P. W. D are concerned any "alteration in revenue classifica- "tion of such lands should be inti- "mated to the Executive Engineer"; the Board of Rev. was requested

(1) to submit the draft of a S.O. to give effect to the above decision, and

(2) to report whether it was desirable to define more clearly the circumstances in which 'poramboke' lands on the margin of rivers or irrigation works under the control of the P. W. D may be leased out by that Dept.

The Board now submits the draft of the S.O. which runs

runs as follows:—

"No change should be
"made in the Revenue Classifi-
"cation of lands on the margin
"of rivers or irrigation
"works which are usually
"leased out by the P. W. D.
"without intimating the fact
"to the Executive Engineer of
"the Division."

With regard to the 2nd
point the Board says that it
has called for a report from
Selected Collectors and that
it will submit its views
on the matter on receipt of their
replies.

With reference to the result
of the enquiry made by the
Board, the draft G.O. now
submitted may possibly
have to be amplified.

For orders as to whether
the Current may lie over, pending
