Copy of letter dated 25th.October 98 from the Dy.Collector on General Duties,Srivilliputur to the Collector of Tinnevelly.

With reference to your No.833 dated 29th.September 98,commu--nicating G.O.No. dated 22nd.September 98,R.D.,I have the honour to submit the enclosed certificates as I am unable to decide as to the nature of the certificate which is required of me in the present instance and to request that if necessary you will be so good as to make a selection out of them and -- send the same to Government. It was under very great personal sacrifice that I was able to discharge the duties of my office during the hot weather. I consulted the District Medical Of--ficer also when I attended the District Board meetings at -- Tinnevelly as to the state of my health. He advised me to take some rest and to abandon riding for a time. The heavy and sometimes anxious duties of this Division hardly leave breathing time for the officer to attend to his own interests.

I do hereby certify that he M Rt Syed Mustafa Sahib Bahadoor aweyae general charge Deputy Collector, Tinnevelly was under my treatment, on several occasions, between the months of March and July, for "Fever" "Piles" and "Disorders of the Digestive System", brought on, in my opinion, by over-work and constant touring during the hot and oppressive weather.

His health during the period was much below par; and he was not in a fit state, to travel any long distance

Grose then thought that a case had not been made out for accepting the recommendation but H.E. considered that this name might be registered. Later on in the same year an officer was wanted to introduce into the several District offices Dr. Macleans Disposal Number System and Mustapha Sahib was selected for the work. His special duty expired in July 1896 and he was ~~subsequently~~ posted to South Canara general duty for about three months. Since then he has been a clerical duty by Coll? in Tennevelly.

The Medical certificates seem to me of little value. Tinnivelly is certainly not a malarious district, but on the contrary more healthy than most dists in the Pr

If Syed Mustafa cant stand
Tinnivelly, it is difficult to
say where he cd. be of much
use.

I must say he is rash
in my opinion, a man Govt.

way to retain as a Dept.
Collector. Even Mr Higgens
characterises his mental
qualifications, in the annual
report for 97, only as "intelligent"
as against "very intelligent"
for his other two Dy Collrs.

He was rather pitch
forked into the D.C. list
because of his special
knowledge of Dr Maclean's
Record system, which he
was deputed to go about
the country to explain. But
his general qualifications,
from the little I have seen
of him, are not at all
exceptional.

to be given an extension of time

I see below gave him a high testimonial.

I see he has 24 years' service -
Nine years more to do -
As he served in Nellore so long
he must surely know Telugu -

This is to certify, that Syed Mustafa Salut Esqre, General Charge Deputy Collector, Tinnevelly, Srivilliputur Division was treated by me at different times between the months of Febry & July 1898 for "Fever," "Bronchitis," & "General Debility" I am of opinion that his illness was due to constant knocking about, the climate of the place not being suited to his constitution.

His state of health was so poor & indifferent, that rest was considered essential, & his restoration to health & Slight.
