EXPLANATORY REMARKS.

(a) The estimate has been fixed with reference to the actuals of the previous year pending the orders of Government on the question of the abolition of the voluntary irrigation cess has been recommended.
(b) Increased with reference to the actuals of 1897-98, and in view of the increase of revenue that is expected by the raising of the rates of cess in Coimbatore.
(c) The increase compared with the budget estimate for 1897-98 (Rs. 1,400) is due to collection of the arrears of previous faslis.

(d) No provision is made as it was decided that fines levied under section 6 of Act I of 1858 should be credited to "XXX. Minor Works and Navigation."
(e) Increased with reference to the actuals.
(f) No receipts are expected as, since the transfer to the Public Works Department of the management of the main channels under the Thadapalle and Arakankottai channels, no fee has been collected.
(g) No receipts expected; the balance, viz., Rs. 96, of collections already made has been ordered by the Collector to be refunded to the ryots concerned.
(h) Reduced with reference to the actuals.

(i) The budget estimate for 1898-99 erroneously included Rs. 438 being the cost of additional establishment under Thadapalle and Arakankottai channels which was to be met from the Cess Fund. The revised and budget estimates have been fixed with reference to the actuals.
Note.—The "accounts" under VI-B for 1897-98 include Rs. 1,044, the actuals under "Fines under Act I of 1858" in the Coimbatore district—*vide* note (*d*) above.
