To The Secretary to Government

Revenue Department

Madras.

Having to procure the reproduction
by lithography of 310 copies each of
five geological sections and a drawing
of a stone implement to illustrate a
Memoir on the Geology of Baroda State
which I am preparing for publication
for the Baroda Government, and which
can, in Madras, be well done only at
the Madras Survey Office, I have the honor
to request as a great favor that permission
may be given to the Superintendent of the
Department to have the above six drawings
reproduced in his lithographic office.
I have made enquiries at the Office and
find that the preparation of these plates
can be undertaken with ease.

The cost of the plates will be borne by
the Baroda Government.

Mr. Cardozo is away on tour for the
present, but I have seen his letter.

Yours

and ascertained from him that the
permission for the preparation of the
lithographs must be given by you...

I have the honor to be

Sir,
Your most obedient servant
