OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 29th November 1898.

READ— Endorsement of J. W. Cherry Esq. Ag. Conservator of Forests, central circle, dated 16th September 1898, No. 363, on letter from D. W. G. Cowie Esquire, Ag. Collector of Chingleput, dated 13th September 1898, Rep. No. 198/Gl. and Forest Reference No. 387 dated 12th October 1898. Also letter from D. W. G. Cowie Esq. Ag. Collector of Chingleput, dated 10th November 1898, Report No. 198/Gl. of 1898-99.

Forest Reference No. 455 dated 29th November 1898.

In his letter first read above the Collector of Chingleput proposed to levy enhanced pound fees as indicated in the margin, on cattle trespassing into the Pubrambakam Reserved Forest and its extension No. I in the Tiruvallur Range, and into the Meyyur plantation in the Chingleput Range. He forwarded the usual draft notification required by Section 38 of the Forest Act V of 1882 and requested that Government might be moved to sanction his proposal.

2. The Collector stated that the Pubrambakam Reserve contained a valuable growth of babul (Acacia Arabica) and that the Meyyur plantation was under conversion into a forest of broad leaved species. It was added that although both the reserves were closed to grazing cattle were frequently let into them by the ryots and that the ordinary pound fees

did not prove sufficiently deterrent. It was further stated that the Meyyur plantation was fenced while the Pulrambakam Reserve was not. The Board while prepared to support the Collector's proposal in regard to the Meyyur plantation, desired him to explain how the conditions of the Pulrambakam Reserve differed from those of other unfenced areas in the District.

3. In reply the Collector now points out that the necessity for Special measures in regard to the Pulrambakam Reserve is due to the growth of valuable fodder within the limits thereof, and to the fact that, as a consequence, cattle trespass has been unusually Common, while the ryots have ~~opposed~~ offered serious resistance to the efforts made to put a stop to it, effecting forcible rescue of their cattle and threatening violence to forest Subordinates endeavouring to discharge their duty.

4. In the circumstances reported, the Board resolves to support the Collector's application for levying enhanced rates both in the Meyyur plantation and Pulrambakam Reserve and its extension No. I. It accordingly requests Government to approve the accompanying draft notification and to publish it

it in the Fort Saint George Ga, etc
