The resthouse at Gudalur in the Nilgiri Dt ~~which had been in the charge of the P. W. D~~ was formally transferred by the P.W.D to the Rev. Depo in 1897, as it was required by the Head asst. Collector and Dt Munsiff, Gudalur for holding assessions in, every month. Under para 4 of the rules issued in Go. 2584 W & 22-8-88, Public Works resthouses are available for temporary occupation by officers (when not in use by the P.W.D officers) of other departments. The formal transfer of the rest. house to the Rev. Dept was nevertheless considered necessary, as the building was not required by the P.W.D, and it was believed that that Dept intended dismantling

- mantling it.

The Supdg Engineer Fourth Circle, now points out the inconvenience that a P.W.D. Officer may be put to for want of accommodation in those parts and recommends the resumption of the Rest. house by the P.W.D.

The Rev. Dept is now asked to report whether there is any objection to the retransfer of the building to the P.W.D., the Supdt Engineer remarking that "this arrangement would be welcomed by the Collector" It is not obvious why the Collr should welcome the arrangement, especially as if the building is retransferred to the P.W.D it will be available for the use of the H.A.C. only when not used by P.W.D officers
