... It was proposed by the Board of Revenue to grant a fixed horse allowance of Rs 15 per mensem to Isildars in view of the facts that ~~since then~~ after the introduction of the Stationary Sub-Magistrates' Scheme Isildars were required to travel far more constantly than before and that they could not fairly be called upon to do so unless some additional allowance was granted to them. The proposal was recommended to the Govt. of India for sanction ^{in 1896}. Sabridars were always supposed to be touring officers before they got the Rs 1 a day allowance. This allowance was given partly as a material inducement for them ~~to~~ perform their outdoor duty more conscientiously & thoroughly & partly as acc^t of the increased expense including the upkeep of a pony. If they are in camp for the prescribed no. of days ^{actually} the all^d M^r. easily covers the pony's keep as well as their other camp expenses proper.

The pay of the Tahsildars
was originally fixed
with due reference to
the fact that their duties
require frequent touring
within the limits of their
talukhs. In 1896 this
Govt. moved the Govt. of
India to grant to
Tahsildars a special
horse allowance of
Rs 15 per month, but
the Govt. of India preferred
that they should receive
a daily allowance of
one rupee for each
day spent in camp.

The ^{Tahsildar's} travelling allowance

IX. In view of the fact that Tahsildars are now compelled to keep horses, will Government be pleased to take into consideration the necessity of sanctioning a horse allowance to these officers, apart from the batta of one rupee per diem now allowed to them only for days they are out in camp?

The Hon'ble Mr. *F. L. S.*

IX. The pay of the Tahsildars was originally fixed with due reference to the fact that their duties require frequent touring within the limits of their taluks. In 1896 this Government moved the Government of India to grant to Tahsildars a special horse allowance of Rs. 15 per month, but the Government of India preferred that they should receive a daily allowance of one rupee for each day spent in camp. The Tahsildar's travelling allowance of one rupee per diem is thus intended to include the expense of keeping a horse or pony.

The Government is at present unable to recommend the grant of any further allowance on this account to these officers.
