Order 9 suri: No. 61747 Feb. 1898

Tel. (Def)

From Madras - Rev 3

To Rev - Let Bengal

Have you available any recent detailed information from reports of experts or otherwise regarding state (of) chinchona cultivation in Java, as to condition of trees whether flourishing or reverse, & whether exports of bark being maintained at expense of (the) good husbandry of (the) plantations and any other circumstances which w. enable this Govt. to determine on advisability of extending or restricting its own planting operations. This Govt (w. be) much obliged for ~~any~~ information if any available

JG
2/2/98

2/2/98

as whether (the) extent of cultivation is increasing or diminishing

1857.

As suggested by the Hon
Secy this I prepare to
asky deferred behalf for
the information ordered to
be procured from Reezal
in today's Council.

The Draft is placed below

I put up the Yearly
Report issued in 1897 giving
information for 1896 for Java.

Chinichona is mentioned
at pp 4 & 5 - general :
at p. 11 there is table showing
exports in 1895 & 1896, ex-
hibiting a considerable in-
crease in 1896 ; &

as Annex XL there is diagram
of exports for 16 years com-
-paring the outturn of Spain
with that of the rest of
the world.

8-11-198

some time
8/27/18

1779

It is certain that exports
increased till '96. The present
hurd that was because
his power, wanting to dis-
continue cultivating Cin-
chona as exhausted trees.

Orders informal

(1) That Talenta be written to & asked if they can give us any information as to the cultivation of chincona in Java - as to the state in which it is in, whether extending & flourishing or the contrary (in view of enabling this govt to determine upon the increase or decrease of our cultivation)

* Confidential
at present

(2) In the event of this info not being sufficient it is proposed to send a planter [Mr. Martin] to make inquiries on the spot in Java, giving him actual travelling expenses & say R 15 a day
