NOVEMBER.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Forest Act for the constitution of the Nujina Ane block, in the Coondapoor taluk, South Canara district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from H. S. MULLINS, Esq., Special Forest Settlement-officer, Malabar and South Canara, to the Collector of South Canara, dated Camp, Tellicherry, 17th July 1897, Dis. No. 142-F.S.O.:—

I have the honour to report the conclusion of the settlement of block No. 40,
Nujina Ane.

2. The block is situated in Coondapoor taluk of your district and was notified for reservation under section 4 of the Forest Act in the *Fort St. George Gazette*, dated 12th December 1893. The proclamation under section 6 appeared in the Forest sheet of the District Gazette, dated 29th March 1894, and "pure copies of it were sent to the Tahsildar on 28th August 1894 for service on the Wargdars interested and for publication in the villages adjoining the reserve.

3. The only claim received against the block was from the District Forest-officer for public rights of way, three in number, which was disposed of by Head Assistant Collector Mr. A. M. Slight on 10th April 1895, having been admitted in full.

4. I perambulated the block on 25th May 1897 and sent the map to the District Forest-officer on 19th June 1897 for correction and preparation on the $\frac{1}{10,000}$ scale. The revised map was received on the 6th instant.

5. The block is free from all rights other than those mentioned above.
6. During the perambulation of the block, the Government of the State of Karnataka shall not be liable for any damage to the block.

6. During the perambulation of the block a claim was brought forward by the owner of the cultivated lands between cairns Nos. 2 and 3, on the ground that the line between them passed near cultivation and I therefore marked a fresh cairn No. 3-A on the section 4 plan to remove cause for complaint. This correction is marked in the plan now submitted.

7. I submit herewith—

- (a) A signed copy of the B. Register of claims.
- (b) Draft notification under section 16.
- (c) Statement showing the number of claims filed and their disposal.
- (d) Sketch-map of the block.

8. The date from which reservation is to take effect is left blank in the draft notification to be filled in by Government.
