PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle, Madras), dated 5th October 1897, No. 516-Forest:—

In forwarding a copy of the Forest Settlement-officer's letter, No. 102, dated 28th June 1897, reporting the completion of the settlement of the Vedanaparti block, Rapur taluk, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. The date from which the reservation should take effect has not been inserted.

3. Draft notification, claim register, sketch-map, area statement and statement showing the number of claims filed and disposed of are enclosed.

4. The cart-track shown in the map in survey No. 656 is not passable and has been abandoned for many years; it is therefore necessary to allow cart-track I (iv).

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., districts, to the Collector of Nellore through the District Forest-officer, Nellore, dated 28th June 1897, No. 102.

I have the honour to report the conclusion of the settlement of the proposed Vedanaparti reserve in the Rapur taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest under section 4 of the Madras Forest Act was published in the *Fort St. George Gazette*, dated 4th August 1896, and the proclamation under section 6 of the Act was published in the District Gazette, dated 3rd October 1896. The time allowed for the presentation of claims expired on the 30th January last.

3 The block was inspected, perambulated and enquired into by me in April and May last when 19 claims were preferred for the following rights:—

(i) Four claims to certain rights of way.

(ii) Eight claims to patta fields.

(iii) Seven claims to rights of way to the same.

The claims to rights of way and to the patta fields involved in items Nos. (i) and (ii) were admitted, and the patta fields have been excluded by alteration of the reserve boundary. Of the seven claims to rights of way to patta fields, involved in item No. (iii), three claims were admitted and the remaining claims were rejected as unnecessary.

4. In connection with this reserve three petitions were received, one addressed to the District Forest-officer, another to the Collector and the third to me. In the first two petitions, the ryots of Vedanaparti, Verrubillapalli and Chavatapalli, hamlets of Kanupurpalli, say the reserve line runs close to the village of Chavatapalli and that the cattle of the village will not be able to go out. They also say that as there are no trees or hills within the proposed reserve, the land is unfit for reservation; and they, therefore, pray that the reserve may be abandoned. In the third petition, one Vennur Venkatasubbiah, a ryot of Vedanaparti, says he darkhasted for survey No. 743 for cultivation, but the land was notified as a proposed reserve. The District Forest-officer ordered the portion left out of the reserve to be granted, but as that is not sufficient and the land is not fit for reservation he begs the whole of survey No. 743 may be excluded.

The proposed reserve comprises survey Nos. 657, 742 and 743 of Kanupurupalli which are unclassified wastes. The soil is "regar loam" and a portion of survey No. 743 is already held on patta on an assessment of Rs. 1-4-0 per acre. The land is covered with poor scrub, but as there is a very large amount of waste in Kanupurupalli and its hamlets, I think it will be sufficient to exclude the triangular portion at the north-east corner of the reserve to which the District Forest-officer agrees, and the petitioners have been informed accordingly. These petitions have not been registered as claims as no right is claimed in them.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Vedanaparti block, in the Rapur taluk, as a —, ordered to be published in the Fort St. George and the Nellore District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 10, dated 7th January 1898 :—

Read—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle, Madras), dated 5th October 1897, No. 516-Forest:—

In forwarding a copy of the Forest Settlement officer's letter, No. 102, dated 28th June 1897, reporting the completion of the settlement of the Vedanaparti block, Rapur taluk, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. The date from which the reservation should take effect has not been inserted.

3. Draft notification, claim register, sketch-map, area statement and statement showing the number of claims filed and disposed of are enclosed.

4. The cart-track shown in the map in survey No. 656 is not passable and has been abandoned for many years; it is therefore necessary to allow cart-track I (iv).

Enclosure No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., districts, to the Collector of Nellore through the District Forest-officer, Nellore, dated 28th June 1897, No. 102.

I have the honour to report the conclusion of the settlement of the proposed Vedanaparti reserve in the Rapur taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest under section 4 of the Madras Forest Act was published in the *Fort St. George Gazette*, dated 4th August 1896, and the proclamation under section 6 of the Act was published in the District Gazette, dated 3rd October 1896. The time allowed for the presentation of claims expired on the 30th January last.

3 The block was inspected, perambulated and enquired into by me in April and May last when 19 claims were preferred for the following rights:—

(i) Four claims to certain rights of way.

(ii) Eight claims to patta fields.

(iii) Seven claims to rights of way to the same.

The claims to rights of way and to the patta fields involved in items Nos. (i) and (ii) were admitted, and the patta fields have been excluded by alteration of the reserve boundary. Of the seven claims to rights of way to patta fields, involved in item No. (iii), three claims were admitted and the remaining claims were rejected as unnecessary.

4. In connection with this reserve three petitions were received, one addressed to the District Forest-officer, another to the Collector and the third to me. In the first two petitions, the ryots of Vedanaparti, Verrubillapalli and Chavatapalli, hamlets of Kanupurpalli, say the reserve line runs close to the village of Chavatapalli and that the cattle of the village will not be able to go out They also say that as there are no trees or hills within the proposed reserve, the land is unfit for reservation; and they, therefore, pray that the reserve may be abandoned. In the third petition, one Vennur Venkatasubbiah, a ryot of Vedanaparti, says he darkhasted for survey No. 743 for cultivation, but the land was notified as a proposed reserve. The District Forest-officer ordered the portion left out of the reserve to be granted, but as that is not sufficient and the land is not fit for reservation he begs the whole of survey No. 743 may be excluded.

The proposed reserve comprises survey Nos. 657, 742 and 743 of Kanupurupalli which are unclassified wastes. The soil is "regar loam" and a portion of survey No. 743 is already held on patta on an assessment of Rs. 1-4-0 per acre. The land is covered with poor scrub, but as there is a very large amount* of waste in Kanupurupalli and its hamlets, I think it will be sufficient to exclude the triangular portion at the north-east corner of the reserve to which the District Forest-officer agrees; and the petitioners have been informed accordingly. These petitions have not been registered as claims as no right is claimed in them.
