been credited since the date of resumption to Local Funds. The Board has ascertained that the sum so credited up to date amounts to Rs. 382-11-0.

2. From the Collector's letters read above, it appears that the Taluk Board, Guntur, is prepared to expend the above mentioned sum of Rs. 382-11-0, as well as the future assessment of the Inams, on the improvement of the local water supply. The Board recommends that the action of the Collector in resuming the Inam, for which action proper sanction does not appear to have been obtained at the time, may be ^{confirmed} ~~filed~~ and that the proposals of the Taluk Board may be accepted.

3. It is not clear from the Collector's Letters whether the payment to Government of the quit rent of Rs. 5 due on one of the Inams, has been discontinued since the date of its resumption. The Board gathers that this has been the case, and that the whole of the assessment is being paid to Local Funds. In future the Collector is requested to see that the quit rent, less the assessment on lands since taken up for public purposes ^{Rs. 1-12-0 per annum} is credited to Government and that the balance which will amount to Rs. 22-3-0 per annum is paid to the Taluk Board.

Charitable Inams.

Sanctioning the resumption of certain — in Kantepudi village, Sattenapalle taluk, Kistna district, and the transfer of the assessment thereof to the Taluk Board, Guntur.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 303, dated 1st February 1898:—

Read—the following letter from the Sub-Collector, Kistna, to the Collector of Kistna, dated 29th September 1896, R.C. No. 3303, Rev.:—

I have the honour to report for your orders the following cases of charitable inams in Kantepudi, Sattenapalle taluk (1) D. No. 39-A., measuring acres 2.67 and assessed at Rs. 5-6-0 and No. 121-A., measuring acres 4.55 and assessed at Rs. 9-2-0, constitute a charitable tope inam. The Tahsildar reports that the Collector ordered the resumption of the inam during the jamabandi of fasli 1289 as the inamdars had failed to plant the required number of trees. Since then the assessment on the land has been credited to Local Funds.

2. D. No. 118 measuring acres 5.34 and assessed at Rs. 10-11-0 is a charitable tank inam. The trustee relinquished it in 1881. Since then the land has been shown under seri and the full assessment paid by the enjoyers credited to Local Funds.

The formal sanction of the Board does not appear to have been obtained for the resumption of these inams. I request that it may be now obtained.

3. The local Taluk Board has formally expressed its willingness to accept the assessment and spend it on the up-keep of a drinking-water tank close to the village. Its resolution is forwarded.

4. The title-deeds granted for these inams are not available. In the first case the trustees say that it was filed in the Taluk office some years ago. The Tahsildar reports that the paper is not forthcoming. The title-deed concerning the second case is reported to have been destroyed by fire.

Endorsement by the Collector of Kistna, dated Masulipatam, 5th November 1896, R.C. No. 6684-Ver.

Copy with enclosure forwarded to the Secretary to the Commissioners of Land Revenue for favour of sanctioning the resumption of the two inams.

Reference on the above, dated 21st November 1896.

The Collector is requested to quote the numbers of the title-deeds relating to the two cases in question.

2. It is observed that the assessment collected on the lands from 1879-80 in one case and in the other from 1881 was credited to Local Funds. The total of the amounts so credited should now be ascertained and reported, in view to the same being utilized on some charitable purpose, for which proposals should also be submitted.

Secretary.

Read—the following letter from R. MORRIS, Esq., M.A., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue, dated Masulipatam, 20th December 1897, Ref. No. 6684-Ver. of 1896:—

In reply to Board's Reference on General Register No. 6127 of 1896, dated 21st November 1896, I have the honour to report that the numbers of the title-deeds relating to the two cases in question are 913 and 951, respectively.

2. The total amount already credited to Local Funds on the two inams is Rupees 382-11-0 as shown in the margin. The

Taluk Board, Guntur, has agreed to spend the amount in the construction of a well or other work which would secure a good water-supply to the village. An extract of its resolution, No. 36, dated 29th March 1897, is enclosed. The Taluk Board's proposal may be approved.

3. The Sub-Collector has since reported that a part of Field No. 39-A comprising the tope inam has been taken up for public purposes and that the remaining portion is as shown below:—

D. No. 39-A—1, extent acres 2.04, assessment Rs. 4-2-0.

Consequently the total assessment that will be credited to the Taluk Board is Rs. 23-15-0 and not Rs. 25-3-0 as already reported. A copy of the revised resolution of the Guntur Taluk Board, No. 18, dated 30th October 1897, is enclosed.

Resolution—Mis. No. 303, dated 1st February 1898.

The marginally-noted inams in Kantepudi village, Sattenapalli taluk, Kistna district, are stated to have been resumed
