OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 26 December 1898.

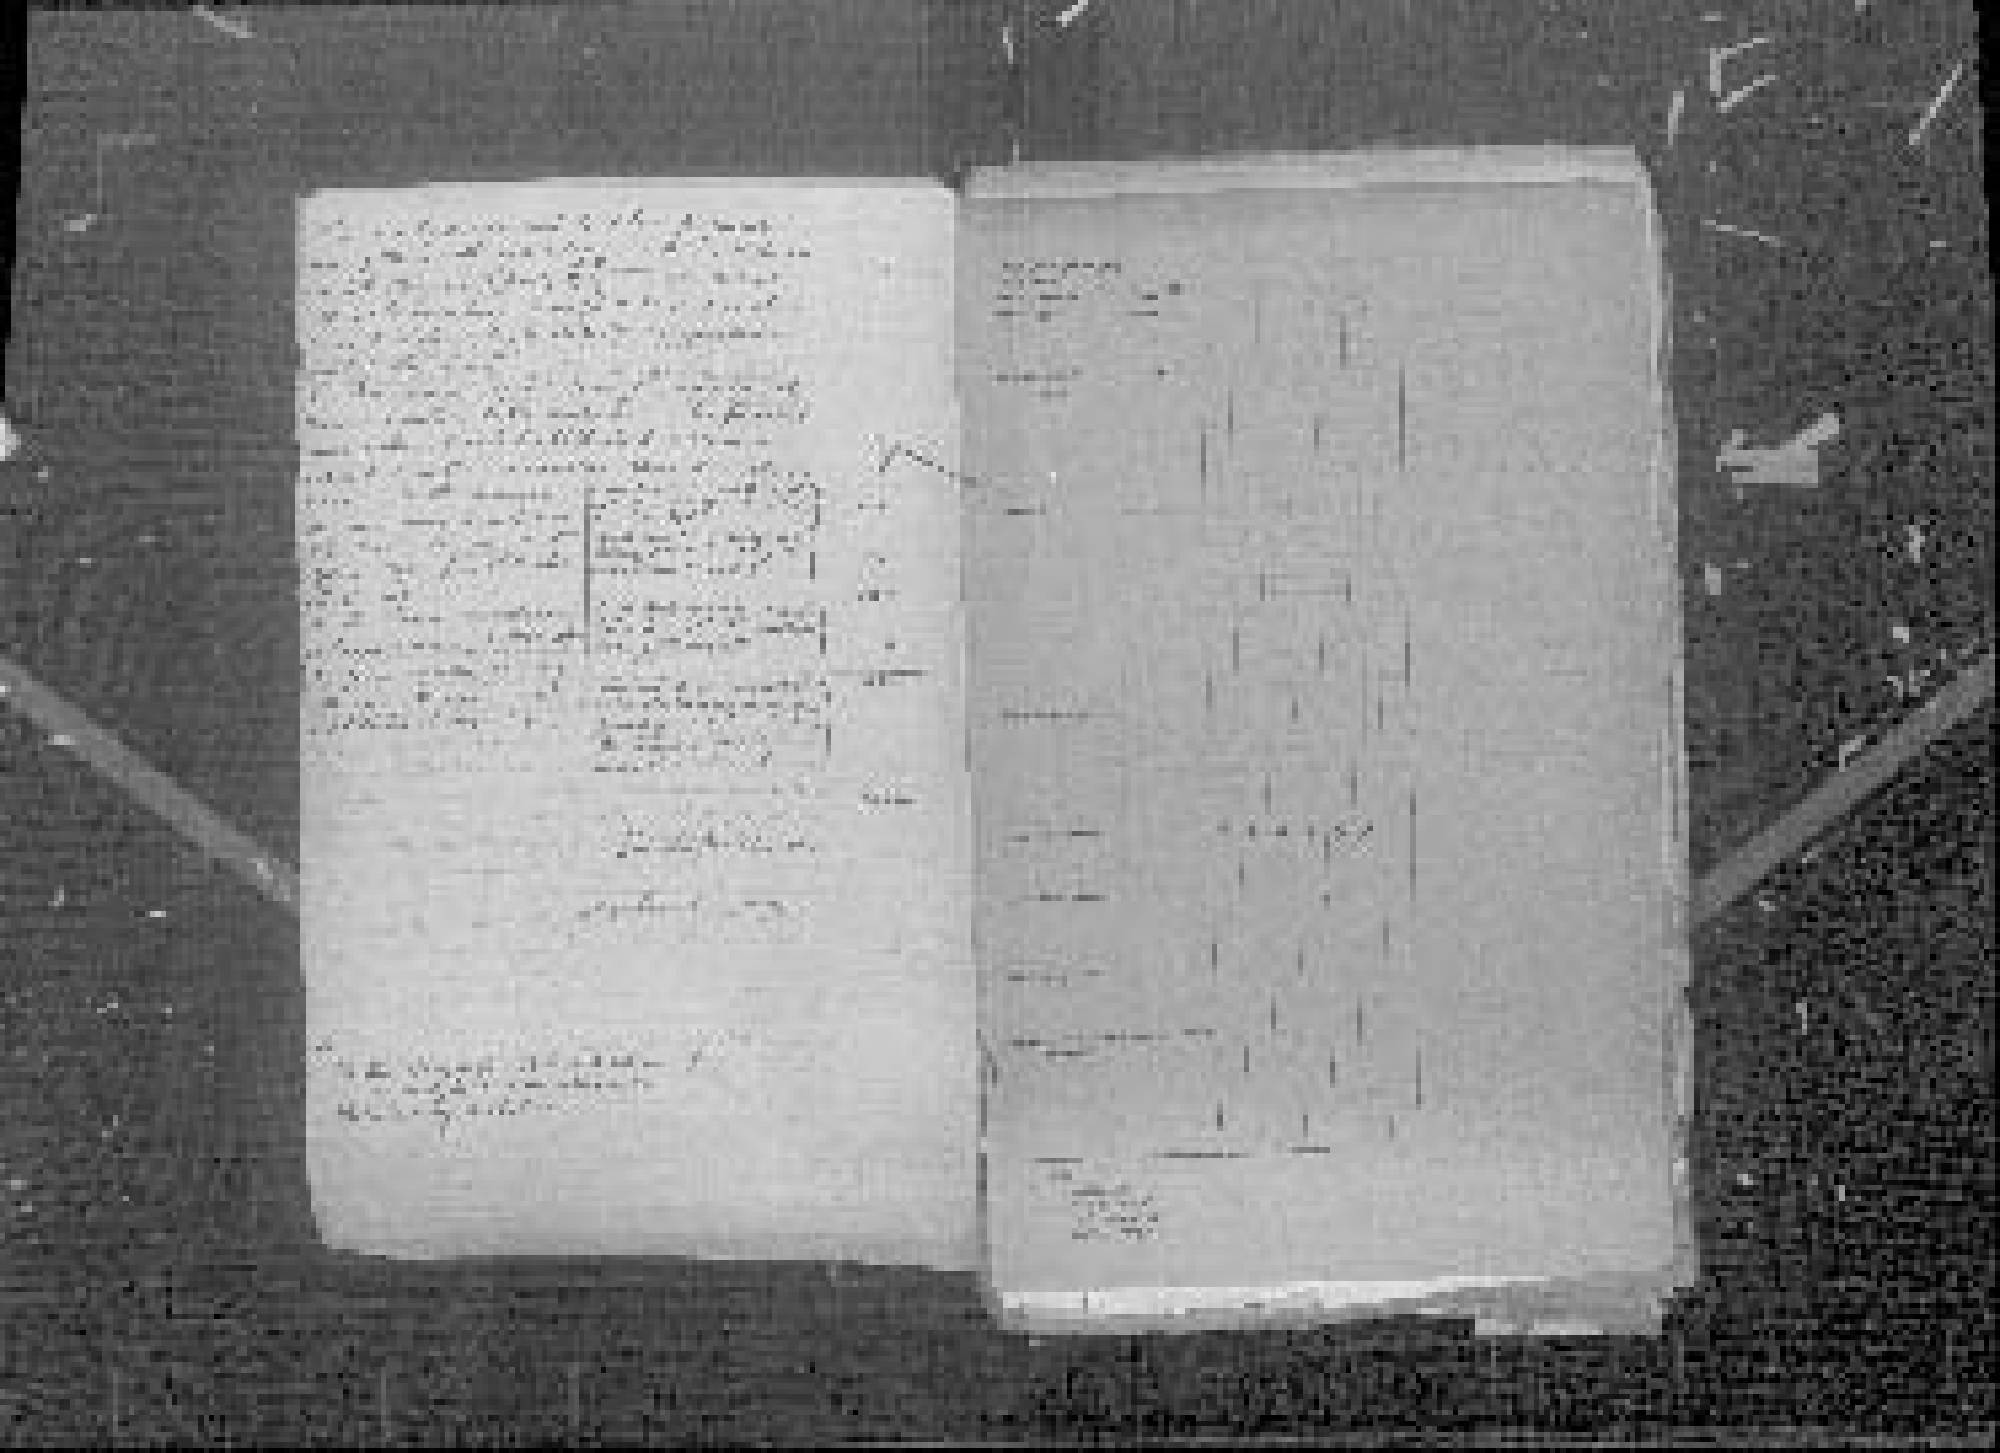
READ— Progress Report of Escheat Settlement in Malabar District for the month of November '98 received from the Collector of Malabar No D1090/Rev: dt 19.12.1898.

Reference No. 1460 dated 26 Dec 1898.

Submitted to Government.

2. The number of title deeds prepared in the Ponnani Taluk during the month under report was only 66 against 178 in the previous month. The Tahsildar attributes the short outturn of work to the facts that one of the two escheat clerks in the taluk was engaged in preparing notices to parties for the production of stamp papers required for the preparation of title deeds and that the other was engaged in receiving the stamp papers, and in attending to cases in which enquiries had to be made, owing to the transfer of lands from the persons with whom the original settlement had been made, and other routine business connected therewith. The Collector states that the Tahsildar has been directed not to take the Escheat clerks into Camp in future and to see that a sufficient amount of work is turned out by the establishment.

3. In para 1 of his remarks on the Progress Report for October 1898, the Collector stated that in Ponnani



Pannani 69 draft deeds had been prepared during the month in addition to the work shown in the Progress Report, ~~but~~ but the deeds do not appear to have been brought to account in the present statement. The Collector is requested to explain the matter.

4. In Column 19 of Form B the number of cases in which title deeds have to be prepared and submitted to the Collector is entered as 1565, but the correct number appears to be 1564 as shown in the margin. The necessary corrections should be made in the office copy of the Collector's Statement.

Number shown in Col: 19 of Form B in the Progress Report for October 1898. - - -	1545	
Add number of deeds not brought to account by the Tahsildar (126-83) - -	43	
	1588

	1594	
Deduct cases in which title deeds have been prepared and submitted to the Collector during the month - - - - -	30	
	1564	

5. The Board endorses the Collector's remark that the progress made during the month was not satisfactory.
