READ letter from R.H. Campbell Esquire, Acting Collector of Bellary Dis No. 17R/acc., dated 15th February 1899, explaining the variations in the rates of wages of agricultural labourers for the half-year ending 31st December 1898.

With reference to foot-note relating to Bellary in the statement of agricultural and other wages for the half-year ending 31st December 1898, submitted to Government with B.P. 20 A dated 20th January '99, the Board begs to report that the decrease in the rates of wages of common-mason and carpenter is explained by the Collector to be due to the Tahsildar of Adoni having recorded for the half year under report, the rates claimed by ordinary workmen instead of those claimed by first class workmen which were entered in the return for the previous half year.
