To

THE SECRETARY TO GOVERNMENT,

Revenue DEPARTMENT,

Thris. The Collector ^{Malgas.} of Salem.

SIR,

I beg to request that I may be granted privilege leave for two months from or after the 20th proximo. As I have to go to my native place and attend to some important private business of mine.

2. I declare that I have no intention of retiring or of taking furlough, special leave, subsidiary leave, leave on private affairs or leave on medical certificate for three months after my return to duty.

I have the honor to be,

Sir,

your most obedient servant,

Salem applies for two months
privilege leave from the 20th
inst on account of important
private business.

2 The Collector says
that the leave may be granted
provided a substitute is sent
and recommends the ap-
pointment of Mr R. T. V.
Srinivasa Aiyar to act

3 A special addi-
tional Dy Coll. has already
been posted to the district
on account of increased work
due to "Plague" and the

therefore solicited as to whether the leave is to be granted and

if so whether a substitute should be employed. In the

latter case it may be noted that (excluding Mr Saldanha

who retires ^{on 1st} April next) there are three Officers above the

Collector's nominee (T. V. Srinivasa No 26)

which may be done owing to the nature of plague work, it is

I think we must make a rule & then sort it. I have spoken to the U.S. about it. But the point better be brought up separately

or unless a man who has already acted is quite convenient in neighbouring dist. 87

Submitted that this substitute should be found in the District

Putting in men from elsewhere just because

they happen to be somewhere Senior on the acting list

is a most fertile cause of hardship & consequent disarrangement of business.

On the other hand, such short acting appts should

not I submit be allowed to count in the total

of acting service as by Collectn which is taken

into consideration in making permanent

appts.

If this view is approved, it may be made the practice

to file up short vacancies in the District itself

provided no specific objection exists but to

omit the service in such vacancies from the total

service as by Collectn shown in the list; &

a beginning may be made

in this case.

Of the Min
