FURTHER PAPERS.

G.O.	No.	Department.	Date.

Read letter from C.H.Mounsey Esqre., Ag. Collector of Coimbatore, R.C.NO.132 Rev.of 1899, dated 3rd February 1899.

Reference P NO.45, dated 21st February 1899.

The Collector of Coimbatore reports that 2.56 acres of enfranchised service inam land in Morattupalaiyam village, Erode - Taluk, were acquired under Act I of 1894 in the year 1895 for inclusion in a reserved forest and that field NO.187 measuring 5.60 acres was proposed by him for assignment in exchange. The proposal was sanctioned by the Board but not given effect to as it was resolved subsequently, i.e., in 1896, not to reserve the former land as forest., and it was consequently not taken possession of by Government, nor was the land to be given in exchange taken possession of by the claimant under the award. In these circumstances the Collector requests that the Forest Settlement Officer's award, dated 23rd January 1896 (submitted herewith in original) may be formally withdrawn, so that field NO.187 may be disposed of to other applicants on patta.

2. The Board considers that it is not necessary to withdraw the award, but that Government should pass an order in the terms of Section 48 of Act I of 1894, withdrawing from the acquisition of the land. A copy of the G.O. will then be served in due course on the person in whose favour the award was passed.

3. With reference to para 2 of section 48 of the Land Acquisition Act the Collector reports that the owner of the land acquired was put to no kind of loss.

C No. 1332499

From The Board of Revenue (David Revenue)

Dated 21st February 1899.FOR ORDERS.

In the current read above, it is reported that 256 acres of irans land in Exode taluk, Coimbatore district, acquired under act I of 1894 in the year 1895 for inclusion in a reserved forest, were not taken possession of by Government, as it was subsequently resolved not to reserve the land as forest, nor was the land awarded by the Forest Settlement Officer (with the sanction of the Board) in exchange, taken possession of by the claimant. The Collector requests that the Forest Settlement Officer's award may be formally withdrawn so that the land assigned in exchange may be disposed of to other applicants on patta. The Board, however, considers that it is not necessary to withdraw

the award but that Government should pass an order in the terms of section 48 of Act I of 1894, withdrawing from the acquisition of the land. It is stated that a copy of the G.O. will then be served in due course on the person in whose favour the award was passed.

2. In the present case, a notification under section 6 of Act I of 1894 does not appear to have been published in the Gazette. But the land in question was included in a notification under section 4 of the Forest act and according to section 10, i (iii) of this act, a separate notification under the Land Acquisition act is unnecessary for the purpose of acquiring the land. *stat. at page 7 of G.O. 4163 12.6.94. D*

3. The original notification under section 4 of the Forest act having subsequently been cancelled, no notification similar to the one approved in G.O.

3126 of 6.8.95 seems necessary. E.

A draft order in the terms of section 48 of Act I

48 of Act I of 1894 is put up on the docket for approval.
