Dated 4th. March 1899.

Read letter from H.A.Gass Esq., ag.Conservator of Forests, ---- Southern Circle, dated 2nd. January 1899, No. 1712 of 1898-99 -- forwarding copy of an Office Note from the Dt. Forest Officer, South Malabar, asking for permission to pay a bill presented by Dy. Ranger Isaac Mathews for expenses incurred in travelling -- from Nilambur to Palghat and back in charge of elephants and requesting early orders in the matter.

And Reference thereon to the Accountant-General Forest No. 31, dated 27th. January 1899.

Also letter from T.Hesketh Biggs Esq., Accountant-General, Madras, dated 10th. February 1899, No. 553.

Reference Forest No. 77, dated 4th. March.1899.

In B.P. Forest No. 433 dated 7--10--1898,

a copy of which is herewith submitted to Government, the Board directed that when an elephant was marched from one station to another, it should be accompanied by an officer, not below the rank of a forester, who had some knowledge of elephants and --- their requirements. In accordance with this order, Isaac Mathews, a Deputy Ranger in South Malabar, proceeded under the -- orders of his District Forest Officer from Nilambur to Palghat and back in charge ^{of} elephants. For this journey which was beyond his jurisdiction, the Deputy Ranger claims mileage at the rate of 2 annas per diem being the actual expenses incurred by him in the payment of cart-hire. Article 1148, Civil Service Regulations permits officers in receipt of permanent monthly allowances to exchange their permanent allowance for mileage when -- proceeding beyond their jurisdiction. But the Dy. Ranger in -- question, as he was marching elephants, was not allowed to travel more than 15 miles a day and could not therefore claim the benefit of ~~that~~ that article. The Accountant-General was asked whether the Dy. Ranger's case might be brought under article --

1170-A of the Civil Service Regulations. In reply, he informs the Board that there is no objection to this course being adopted, provided that the fixed allowance drawn by the Dy. Ranger under article 1152, Civil Service Regulations is withdrawn and he is permitted to draw daily rates instead for the period in question. The Conservator will be requested to grant -- the necessary permission in this respect. In the meantime, Government is requested to sanction under article 1170-A of the Civil Service Regulations the conversion of the daily allowance, which the Dy. Ranger will be permitted to draw under the Conservator's order, into mileage.
