OFFICE OF THE BOARD OF REVENUE (LAND REVENUE),

Madras, 10th February 1899.

by J. W. Cherry Esq. Ag
 READ— Endorsement of the Conservator of Forests C. C.
 no. 505 of 21st Oct. 98 forwarding letter from
 H. O. O. Harding Esq. Ag. Collector of Cuddapah
 Ref. no. 2597 of 10th Oct. 1898; and also Reference
 no. 425 of 10th Nov. 1898 requesting the
 Collector to submit a draft notification under
 Sec. 24 of the Forest Act in respect of the area
 proposed to be ^{excluded from} ~~disafforested~~ the Pulikonda Reserve,
 Cuddapah District.
 Read also endorsement by J. W. Cherry Esq. Ag. Cons. of Forests C. C. on
 letter from H. O. O. Harding Esq. Ag. Col. of Cuddapah no. 2597 of 13-1-99.
 Reference No. 48 dated 10th February 1899.

In the first of the letters read above,
 the Collector of Cuddapah brought to notice
 the existence of certain patta fields within
 the Pulikonda Reserved Forest, not claimed
 and adjudicated upon at the time of settle-
 ment and proposed to exclude them from the
 reserve limits by an alteration of its bound-
 ary as the owners of the lands who held
 pattas granted to them prior to settlement
 were not served by the F. S. Officer with the
 necessary proclamation notices under Sec 6
 of the Forest Act. The Collector accordingly
 submitted a draft erratum in respect of
 the description of the eastern boundary of
 the reserve. The Conservator supported
 the Collector's recommendation.

2. So however the exclusion from any
 reserve of areas once notified as forming
 part of such reserve requires the pre-
 vious sanction of the Govt. of India, the
 Collector was requested to submit in the
 prescribed form the necessary draft no-
 tification of disafforestation for the area

Concerned. This notification has now been submitted and as slightly amended by the Board will be forwarded to Govt. for approval and publication in the Fort St. George Gazette after obtaining the previous sanction of the Govt. of India.

3. Of the 16 acres which it is now proposed by the local revenue and forest authorities to disafforest, only 4.16 acres are held on patta and the remaining extent consists of cultivable lands which appear from the statement of area and condition printed in B.P. No. 381 disposed of in G.O. Rev. No. 964 to be thinly covered with scrub. (True Extract)

adjudicated upon during the settlement; and the remaining area consists of cultivated land thinly covered with scrub.

it is therefore now considered desirable to exclude these patta lands along with certain other Cultivable lands which adjoin the boundary of the blocks.

3 I am to add that the local Revenue and Forest authorities ^{approve of} the proposed disafforestation.

4 A description of the Pulikonda reserved forest will be found printed as an appendix to ~~the~~ ^{the} Proceedings of this Government a copy of which was forwarded to the Government of India with the Galton's endorsement No 964 A & 14.10.91.

A sketch map of the reserved forest with an indication of the portion proposed to be disafforested is enclosed and I am to request that it may be returned when no longer required. I have &c.

It is not clear what the blue lines and cross mean in the plan - I suppose they are merely to draw attention to the position of the 16 acres? MS
