Office of the Board of Revenue  
(Land Revenue)

Madras, dated 24th January 1899.

Read Progress Report of escheat settlement for ---  
January 1899 received from <sup>G.W. Dance Esq.,</sup> Collector of Malabar, No.D.292/Rev.,  
dated 17th February 1899.

Reference A/No.26, dated 24th February 1899

Submitted to Government.

2. As stated by the Collector, the bulk of the escheat work still remaining to be done consists of the preparation of --- title-deeds. The number of draft deeds prepared in the Ponnani taluk during the month under report was 78 against 78 158 in the previous month. No progress was made in the remaining taluks except -- Cochin where one deed was prepared during the month. Mr. Dance states that the delay in completing this work is due to the failure of -- the parties to produce the necessary stamp papers. If on this ----- account sufficient work cannot be found for the special establish-

ment entertained in Ponnani, the necessity for its maintenance is -  
not apparent. The Collector is requested to report on the point and to state whether it is possible and expedient to adopt measures to compel the early production of stamp papers in the undisposed of -- cases.

*Samuel Davidson*  
Ag. Secretary.

To the Secretary to Government, Revenue Department, with statement in original to be returned.
