Reference B.No.51, dated 18th February 1899

In his letter dated the 30th September 1896, No. 6545/Rev. of 1896, the Collector of Cuddapah, Mr. Tate, represented that the --- correspondence in connection with the several classes of inams in that District was very heavy and that it would be a great relief - if the Board would recommend the permanent entertainment of an --- additional clerk on Rs. 35 per mensem. The Board observed that the - pressure of work complained of would gradually diminish as the exa- mination of the inam registers in all Taluks is completed and --- accordingly recommended to Government the entertainment of an addi- tional clerk on the salary proposed by the Collector, for a period of only one year. The Board's recommendation was sanctioned by Govt. in its Order No. 1178 Misc., dated the 2nd March 1897. Subsequently, however, on the representations of the Collector, Government extended the period of the clerk's retention at first by six months and then by another half-year. (G.Os. In the above letter, ~~of~~ ^{say the} Collector of Malabar ~~forwards~~ forwards two memorials from the Zamorin of Calicut and the Kerala Mahajana Sabha, criticising the Malabar Compensation for Tenants' Improvements Bill.

A 2. The petition from the Zamorin is apparently the one transferred to the Leg. Dept. in Rev. Encl. No. 961 8.3.99. The petition from the Kerala Mahajana Sabha may also be transferred to the Legislative Dept. for communication to the ~~members of~~ Select Committee on the Bill. It is a question whether the ~~views~~ views expressed by the Collector in forwarding the memorials should ~~also~~ be communicated to the Select Committee.
