Stating that the addition to article 653 of the Civil Account Code, Volume I, dated 15th June 1896, which requires that keys should accompany remittances of treasure, supersedes all former instructions to the contrary.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—again Proceedings of the Board of Revenue (Land Revenue), No. 269, dated 21st July 1896.

READ—also Proceedings of the Board of Revenue (Land Revenue), No. 173, dated 9th July 1898.

READ—the following letter from D. W. G. COWIE, Esq., Acting Collector of Chingleput, to the Secretary to the Commissioners of Land Revenue, dated Saidapet, 17th January 1899, No. 65-Aect. Sup. :—

I have the honour to submit the following point for the consideration and orders of the Board :—

In paragraph 4 of the Board's Proceedings (Land Revenue), No. 173, dated the 9th July 1898, it is stated that the keys of the boxes containing remittance should be sent by registered post. As almost all the sub-treasuries in this district are within a few hours' journey by railway from the Huzur treasury, it is impossible to despatch the keys by post so as to reach the destination on the same day as the remittance. This will prevent effect being given to the Accountant-General's Circular No. 16, dated 20th June 1891, which requires that the boxes should be opened on the day of receipt and the bags of coin invariably weighed if it is impossible to make a detailed examination of the contents. This circular has been approved by the Board in its Proceedings, No. 269, dated 21st July 1896, and is being actually followed in this district as a safeguard against fraud.

2. In this connection I beg to draw the Board's attention to the addendum * to article 653 of the Civil Account Code which also requires that the keys should accompany the remittance.

I beg therefore to be favoured with the Board's further instructions in the matter.

Reference on the above, dated 27th January 1899, No. 95.

Referred to the Accountant-General for favour of remarks.

(Signed) LIONEL DAVIDSON,
Acting Secretary.

To the Accountant General.

READ—the following letter from T. HESKETH BIGGS, Esq., Accountant-General to the Government of Madras, to the Secretary to the Commissioners of Land Revenue, dated Fort St. George, 15th February 1899, No. I.D.-736 :—

With reference to Board's Reference, No. 95, dated the 27th of January 1899, forwarding letter from the Collector of Chingleput, No. 65, dated 17th January 1899, regarding the sending by registered post of the keys of locked boxes containing remittances, * I have the honour to point out that, from article 653 of the Civil Account Code as amended by the 25th list of corrections, it is clear that the keys should accompany each remittance whether they be held by a potdar or by the police escort—vide also my Circular No. II, dated 28th January 1892.

As the suggestion in Board's Proceedings (Land Revenue), No. 269, dated 21st July 1896, to forward the keys by post conflicts with the rule in the Civil Account Code, I have the honour to suggest that it may be reconsidered.

A reference to note 2 to article 644, Civil Account Code, as inserted by the 35th list of corrections where mention is made of padlocks being enclosed in sealed bags, is also solicited.

RESOLUTION—No. 59, dated 28th February 1899.

The Accountant-General's letter read above will be communicated to all Collectors for information and guidance. The addition to article 653, Civil Account Code, Volume I, dated 15th June 1896, to which the Accountant-General has drawn attention, must be held to supersede any instructions of the Board to the contrary.
